## November is HAZMAT Awareness Month

To protect the health and safety of our employees and the general public, the Postal Service™ has developed specific procedures for safeguarding, identifying, handling, and delivering hazardous materials (HAZMAT). Since there have been several recent incidents of non-mailable HAZMAT in the mailstream, November has been designated “HAZMAT Awareness Month” to highlight these issues.

Incidents, including lithium battery fires (exceeding the 100Wh limit), as well as mercury and corrosive liquid spills, serve as a reminder that these types of mailpieces continue to pose a threat. Additionally, there has been an increase in undeclared HAZMAT items in the mailstream — items that do not display the required markings — and improperly packaged mailable HAZMAT items, such as:

- Liquids with no absorbent material;
- Lithium batteries; and
- Aerosol cans in non-rigid packaging.

During HAZMAT Awareness Month, the Postal Service will provide the following targeted communications to reinforce awareness of current HAZMAT policies and procedures:

- 15-minute HAZMAT Zoom Lunch and Learn.
- Updates to job aid reference materials.
- Use of Poster 37, *Is Your Package Safe to Mail?* (see page [4](#)).
- Promotion of HAZMAT Awareness Month in targeted channels, such as the *Postal Bulletin*, *Retail Digest*, *Link*, and Retail Systems Software.

As peak season begins, and the Postal Service anticipates increased mail volume along with its potential risks, there is even more reason to be diligent. I want to thank all employees for their support of this important effort to raise HAZMAT awareness, both internally and externally, and ensure a safer peak season. Thank you in advance for emphasizing to your teams the importance of their adherence to current HAZMAT policies and procedures.

Angela Curtis  
Vice President,  
Retail Operations

## Poster 37, Is Your Package Safe to Mail?

# IS YOUR PACKAGE SAFE TO MAIL?

You could be mailing hazardous materials  
and not even know it.

Did you know that many common household items are dangerous to ship and are not permitted in the mail?

Even items that are permitted in the mail can present a hazard if improperly packaged, due to vibration, temperature changes, and variations in atmospheric pressure.

USPS® is committed to keeping your mail safe. Log on and see if the item you wish to mail is permitted and learn more about how to prepare this type of mail safely.

**WARNING:** Persons who knowingly mail items or materials that are dangerous or injurious to life, health, or property in violation of 39 U.S.C. 3018 may be liable for a civil penalty of at least \$250, but not more than \$100,000 for each violation; the costs of any cleanup associated with each violation; and damages.

### IMM Revision: Individual Country Listing for Brazil

Effective November 19, 2020, the Postal Service™ is revising the Individual Country Listing for Brazil in *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) to note that the importation of seeds requires prior approval from the Brazilian Agriculture Department.

This revision is based on a formal request that Correios (the designated postal operator of Brazil) made through the Universal Postal Union via *International Bureau Circular* 142, dated October 5, 2020.

*[Add an entry in alphabetical order to read as follows:]*

Seeds require prior approval from the Brazilian Agriculture Department — i.e., Ministério da Agricultura, Pecuária e Abastecimento (MAPA). To obtain approval for seeds and other agricultural items, visit the following website (available only in Spanish): [gov.br/pt-br/categorias/agricultura-e-pecuaria/licenciamento-e-habilitacao/exportacao-e-importacao](http://gov.br/pt-br/categorias/agricultura-e-pecuaria/licenciamento-e-habilitacao/exportacao-e-importacao).

Although effective November 19, 2020, the Postal Service will incorporate this revision into the next edition of the online IMM, which is available via Postal Explorer® at [pe.usps.com](http://pe.usps.com).

## IMM Revision: Individual Country Listing for Norway

Effective November 19, 2020, the Postal Service™ is revising the Individual Country Listing for Norway in *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) to note changes to Norway's value-added tax (VAT) for low-value items containing goods.

This revision is based on a formal request that Posten Norge AS (the designated operator of Norway) made through the Universal Postal Union via *International Bureau Circular 57*, dated April 6, 2020.

#### **Observations**

[Add a new observation to read as follows:]

- As of April 1, 2020, Norway discontinued the 350 Norwegian krone (NOK) exemption from value-added tax (VAT) and excise duties for goods. A supplier offering low-value goods (not exceeding 3,000 NOK) must register for VAT in Norway and collect VAT on the sale of goods to consumers. To facilitate the reporting and payment of VAT, a supplier can use the VAT on e-commerce (VOEC) website — to obtain guidelines and register for a VOEC number, visit [skatteetaten.no/voec](https://skatteetaten.no/voec). Items that do not comply with VOEC requirements are subject to taxation at the border, and the addressee will incur a customs clearance fee, which might delay delivery. To ensure prompt and efficient customs clearance and avoid potential risk of double-taxation, Posten Norge AS (the designated operator of Norway) suggests including the 7-digit VOEC registration number on the customs form preceded with "sender's customs reference No." or "VOEC No."

Although effective November 19, 2020, the Postal Service will incorporate this revision into the next edition of the online IMM, which is available via Postal Explorer® at [pe.usps.com](https://pe.usps.com).

### Local Tax Code Information

The United States Postal Service® collects appropriate federal, state, and in some cases, local taxes directly from the pay of its employees who are subject to these deductions. Based on agreements between individual local taxing authorities and the U.S. Department of the Treasury, the Postal Service™ collects a number of city and county income taxes, occupational taxes, mental health taxes, residence taxes, local service taxes, and in some locations, more than one of these taxes.

The local taxes listed in the following table are the taxes for which there are agreements between the taxing authorities and the U.S. Department of the Treasury. Some of these taxes are automatically deducted from the salaries of Postal Service employees who work within the geographic boundaries of the specific taxing authorities. However, most of these taxes are not automatic deductions. If you are subject to any of these local taxes, you must be proactive and submit a completed PS Form 4, *Employee’s City or County Withholding Certificate*, to the HR Shared Service Center (HRSSC). As a Postal Service employee, you are personally responsible for ensuring correct local taxes are deducted from your pay. If you have any questions regarding your tax liability or responsibility, contact your local taxing authority.

In addition to the taxes listed in the following table, there are other local taxes for which there are no agreements

between the individual local taxing authorities and the U.S. Department of the Treasury. Employees must make their own payments to these taxing authorities. The Postal Service will not collect local taxes for a taxing entity that has not established an agreement with the U.S. Department of the Treasury.

We remind all Postal Service employees that they are bound by the materials contained within the *Code of Ethics, Principles of Ethical Conduct for Government Officers and Employees*. This includes Principle 12, which states: “Employees shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those – such as federal, state, and local taxes – that are imposed by law.”

If you live or work in a locality that is subject to one or more of the taxes listed in the table and the correct deduction(s) is not being withheld from your pay, you can immediately complete a PS Form 4, *Employee’s City or County Withholding Certificate*. After completing this form, mail it to the following address:

HR Shared Services Center  
PO Box 970400  
Greensboro, NC 27497-0400

Direct all questions concerning these local taxes to the HRSSC by phone at 877-477-3273, option 5 (Federal Relay Service: 800-877-8339).

### Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

**Note:** The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at [usps.com/shop/money-orders.htm](https://usps.com/shop/money-orders.htm).

3. If the money order seems suspicious, call the U.S. Postal Service Money Orderxxr Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the*

*Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

## Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

### Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the Retail System Software terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply.

## Tax Obligations of USPS Employees

As employees of the United States Postal Service®, we have a legal, moral, and fiduciary obligation to obey the tax laws of our country. As both citizens and public servants who are obligated to uphold the public trust, we are ethically mandated to complete and file all required tax forms for our federal, state, and where applicable, local taxes. We are required by appropriate taxation laws to pay all of our required taxes in a timely and accurate manner.

We remind all Postal Service™ employees that they are bound by the materials contained within the *Code of Ethics, Principles of Ethical Conduct for Government Officers and Employees*. This includes Principle 12, which states: “Employees shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those — such as federal, state, and local taxes — that are imposed by law.” All Postal Service employees must adhere to the highest possible ethical standards concerning the payment of their taxes and other debts.

As a Postal Service employee, you are personally responsible for ensuring correct federal, state, and local taxes are deducted from your pay. If you are subject to federal, state, or local taxes, and the correct deductions are not being withheld from your pay, you must take immediate action to ensure appropriate tax withholdings.

### To Update Federal and State Tax Withholdings:

- Complete the federal Form W-4, *Employee’s Withholding Certificate*, or the state equivalent of the federal Form W-4. For example, to update Minnesota tax withholdings, complete Form W-4MN, *Minnesota Withholding Allowance/Exemption Certificate*. Complete the federal Form W-4 if your state does not have its own state equivalent of the federal Form W-4. Make sure you write “(Name of State)” and “State Copy” on the top of the form. Go to the *LiteBlue* home page ([lite-blue.usps.gov](http://lite-blue.usps.gov)) to access the *PostalEASE* App.

- Update your “Federal W-4” Payroll Module and your “State Tax” Payroll Modules.
- If you do not have access to a computer or the Internet, mail your completed form(s) to:  
HR Shared Service Center (HRSSC)  
PO Box 970400  
Greensboro, NC 27497-0400

**Note:** It is to your advantage to complete the paper form before your *PostalEASE* update as the paper form comes with instructions, which can be particularly helpful if your state has complex withholding selections.

### To Update Local Tax Withholdings:

- Complete PS Form 4, *Employee’s City or County Withholding Certificate*.
- Mail your completed PS Form 4 to:  
HR Shared Service Center (HRSSC)  
PO Box 970400  
Greensboro, NC 27497-0400

Direct all questions concerning these taxes to the HRSSC at 877-477-3273, option 5 (Federal Relay Service: 800-877-8339).

The Postal Service does not provide tax advice. Direct any questions about your tax liability or responsibility to the Internal Revenue Service (IRS) or a qualified tax attorney or accountant.

Adherence to these requirements will help all USPS® employees avoid costly penalties and potential tax enforcement action by the IRS. The IRS provides free tax information and services to inform and assist taxpayers concerning tax laws and individual responsibilities. You can research federal tax information at [irs.gov](http://irs.gov) or contact an IRS representative toll-free at 800-829-1040 (TDD 800-829-4059) for assistance.

## IRS Reporting Requirements of Attorney Fees, Back Pay, or Wages

The purpose of this notice is to ensure that employees are aware of the Internal Revenue Service (IRS) income reporting requirements when attorney fees are awarded.

In 2005, the IRS issued regulations that changed how attorney fee awards are to be treated for tax reporting purposes, based upon the Supreme Court's decision in *Commissioner v. Banks*, 125 S. Ct. 826 (2005). Previously, when payment of attorney fees was made directly to the attorney, the payment to the attorney was only reported on the attorney's Form 1099-MISC, *Miscellaneous Income*. In *Commissioner v. Banks*, the Supreme Court held that when a litigant's recovery constitutes income, the litigant's income includes the portion of the recovery paid to the attorney as a contingent fee. Thus, pursuant to Internal Revenue Code (IRC) section 6041(a) and 6045(f), these fees cannot be excluded from the plaintiff's gross income for tax reporting purposes.

The following situations require variations in the reporting requirements:

- *Attorney Fees Paid Directly to an Attorney* — These fees will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. These fees will also be reported on the attorney's Form 1099-MISC.
- *Settlement (no back pay or wages) is Paid Directly to Employee and Attorney Fees are Identified* — The entire amount of the settlement (including attorney fees) will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. The employee's attorney will not be issued a Form 1099-MISC.
- *Settlement (back pay or wages) is Paid Directly to Employee and Attorney Fees are Identified* — The back pay or wages portion of the settlement is subject to income and Federal Insurance Contributions Act (FICA) tax withholdings. The back pay or wages portion will be reported on the employee's Form W-2. The identified attorney fees will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. The employee's attorney will not be issued a Form 1099-MISC.
- *Settlement (back pay or wages) is Paid Directly to Employee and Attorney Fees are not Identified* — The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The entire amount will be reported on the employee's Form W-2. The employee's attorney will not be issued a Form 1099-MISC.
- *Settlement Check (no back pay or wages) is Issued Jointly to Employee and Attorney* — The entire amount of the settlement will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC and will also be reported on the attorney's Form 1099-MISC.
- *Settlement Check (back pay or wages) is Issued Jointly to Employee and Attorney* — The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The entire amount will be reported on the employee's Form W-2. The net amount of the settlement (the actual amount of the check) will be reported on the attorney's Form 1099-MISC.
- *Settlement Check (back pay or wages) is Split between Employee and Attorney* — The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The settlement check is issued to the employee, but before disbursement, the check is pulled and the net of the settlement (the actual amount of the check) is split between the employee and his or her attorney. The entire amount of the settlement will be reported on the employee's Form W-2. The actual amount of the check paid to the attorney will be reported on the attorney's Form 1099-MISC.

The United States Postal Service<sup>®</sup> makes no representation regarding the taxability of these payments. Potential tax liability resulting from any of these payments is the employee's responsibility. The IRS makes the determination on whether taxes must be paid. The Postal Service does not provide tax advice, and employees must direct any tax reporting questions to the IRS, or a qualified tax attorney or accountant.

## Wage Overpayment Indebtedness — Tax Treatment

When a Postal Service™ employee is overpaid, the United States Postal Service® establishes an account receivable for the overpayment and initiates the collection of the debt from the employee through the process described in the *Employee and Labor Relations Manual* (ELM), in either ELM 450, Collection of Postal Debts From Non-bargaining Unit Employees by Salary Offset, or ELM 460, Collection of Postal Debts From Bargaining Unit Employees by Salary Offset.

If the overpayment occurred in a prior year, the Postal Service bills the employee for the gross amount of the overpayment. The gross amount includes the net amount of the check or direct deposit plus all payroll-related taxes withheld and other miscellaneous deductions or allotments. The wages paid in error in the prior year remain W-2 reportable and taxable to the employee for that year. This is because the employee received and had use of those funds during that year. If repayment is made within 3 years of the issuance of the W-2 that includes the overpayment, the employee is entitled to a refund of Social Security (if applicable) and Medicare taxes from the Postal Service. The employee is not entitled to file an amended return (Form 1040X) to recover the federal income tax paid on

these wages. Instead, the employee may be entitled to a deduction (or credit in some cases) for the repaid wages on his or her income tax return for the year of repayment (Internal Revenue Service Publication 15). Employees are encouraged to seek the services of a qualified tax preparer if they have questions.

If the overpayment occurred in the current year, the Postal Service *initially* bills the employee for *only* the net value of the overpayment; thus, federal, state, local, Social Security (if applicable), and Medicare taxes are not part of the bill. However, if an employee has not fully repaid the overpayment by the end of the tax year (December 31, 2020), the Postal Service must report the unreturned value of the overpayment as taxable income on the employee's Form W-2. Additionally, the employee must now pay appropriate federal, state, local, and FICA/Medicare taxes on the remaining value of the unpaid debt. The Postal Service establishes a second account receivable at the close of the tax year for the value of the taxes the employee owes related to the unpaid debt. The Postal Service uses the debt collection processes in ELM 450 and ELM 460 to collect the additional debt.

## Information Security

### Committed to Cybersecurity: Highlights from Cybersecurity Awareness Month

Last month, the United States Postal Service® Corporate Information Security Office (CISO) observed Cybersecurity Awareness Month with its fifth annual Cybersecurity Awareness Fair. More than 1,600 USPS® employees and contractors visited our virtual fair on *Blue* ([blue.usps.gov/cyber/awareness-fair.htm](https://blue.usps.gov/cyber/awareness-fair.htm)). Our theme was “Protecting the Network that Binds the Nation,” and content focused on how the five CISO portfolios safeguard this network with enterprise-wide cybersecurity technologies and solutions.

While the official month may be over, our commitment to defending the world's largest network from attack continues 24/7, year-round. But that responsibility does not solely start and stop with CISO. Whether you are a postmaster, work at a retail counter, or manage facilities at headquarters, everyone has a role to play in protecting our network from cyberthreats.

Help CISO keep the Postal Service™ cybersafe with the following tips:

- **Get trained.** Take your assigned security training when it is available in HERO.
- **Beware of tricksters.** Remember cybercriminals prey on human emotions. Using email, text messages, or voicemail, they leverage emotions to manipulate or trick you into sharing valuable information. Don't fall victim to their schemes.

- **Keep it secure.** Poor cybersecurity behaviors, such as sharing passwords or connecting using someone else's login information, can make individuals and the Postal Service vulnerable to cyberattacks.
- **Be cautious.** Cybercriminals are good at creating convincing messages that appear to come from trustworthy organizations. Be on your guard and proceed with caution. Cybercriminals rely on the fact that humans have a natural desire to trust others; if something seems suspicious, say something.
- **Become a Cyber Guardian.** You don't have to work for CISO to protect the USPS network. Sign up today to be a Cyber Guardian for your department and keep your peers cybersmart!
- **Report it.** If you see anything suspicious, report it using the “Report to CyberSafe” button in your Outlook toolbar, by sending an email to [CyberSafe@usps.gov](mailto:CyberSafe@usps.gov), or by calling 866-877-7247.

For more helpful tips about cybersecurity, visit the CyberSafe at USPS® websites on *Blue* ([blue.usps.gov/cyber](https://blue.usps.gov/cyber)) and *LiteBlue* ([liteblue.usps.gov/cyber](https://liteblue.usps.gov/cyber)).

- Inside the box, include the service member's name and address as well as the sender's name and address on an index card in case the shipping label gets damaged in transit.

Use our online locator at [tools.usps.com/find-location.htm](https://tools.usps.com/find-location.htm) to find your local Post Office.

## Custom Solutions for Sending Holiday Packages

The Postal Service is uniquely qualified to deliver the holidays by offering a variety of custom solutions designed to make sending holiday packages easy:

- Packages that have stamps as postage and are more than one-half inch thick and/or weighing more than 10 ounces *must* be taken to a retail counter for drop off. Alternatively, customers can use a self-service kiosk for a postage label and drop off the package in a Post Office package slot, *not* a mail slot.
- Get free Priority Mail and Priority Mail Express boxes and envelopes in Post Offices or online at [usps.com/freeboxes](https://usps.com/freeboxes).
- Skip the line and use self-service kiosks located in larger Post Offices to weigh, pay postage, and deposit your packages.
- Use Click-N-Ship online at [usps.com/ship](https://usps.com/ship) to create shipping labels with USPS Tracking<sup>®</sup>, pay postage, or use flat rate shipping products to avoid weighing packages.
- With free Package Pickup, your package can be handed to your mail carrier on his or her regular delivery route or you can schedule a pickup. For details on availability, visit [usps.com/pickup](https://usps.com/pickup).
- Take your packages to the retail counter at any Post Office.

\* Boxes are delivered in the U.S. with regular mail usually within 7 to 10 business days. Exclusions apply. For details and to order, visit [store.usps.com/store](https://store.usps.com/store).

## Custom Solutions to Help With Receiving Holiday Packages

The Postal Service also offers a variety of custom solutions designed to make receiving holiday packages more convenient:

- Informed Delivery<sup>®</sup> ([informedelivery.com](https://informedelivery.com)) is the free daily digital preview of what is coming to your mailbox. You can see what mail is coming to your mailbox, manage your packages by providing delivery instructions or reschedule delivery online, and see some exterior images of magazines and catalogs — all from your mobile app, dashboard, tablet, or computer.
- Customers can also request the package be held at a Post Office by choosing the Hold for Pickup option in the Informed Delivery app ([informedelivery.com](https://informedelivery.com)), or online at [reg.usps.com/login?app=HOLD-MAIL&appURL=https%3A%2F%2Fhold-mail.usps.com%2Fholdmail%2F](https://reg.usps.com/login?app=HOLD-MAIL&appURL=https%3A%2F%2Fhold-mail.usps.com%2Fholdmail%2F).
- Customers who know they won't be home when a package is delivered can use USPS Package Intercept<sup>®</sup> ([usps.com/manage/package-intercept.htm](https://usps.com/manage/package-intercept.htm)). Before delivery, most domestic package shipments can be redirected back to the sender, to a new address (a neighbor, perhaps), or to the Post Office to be held for pickup.

## Help Customers Avoid a Shipping Glitch

There are a number of things that customers can do to ensure their holiday mail gets delivered safely and correctly:

- Print addresses clearly and include all address elements, such as apartment numbers and directional information (ex., 123 S. Main St., Apt. 2B).
- Don't send materials that are prohibited, such as fireworks or ammunition. Hazardous materials like perfumes, aerosols, or lithium batteries are mailable with restrictions. For more information, visit [pe.usps.com](https://pe.usps.com).
- Items powered by dry-cell batteries may sometimes turn on during handling and emit a light, buzz, beep, or tick. Please ensure the device is powered off or package batteries separately (preferably in the original manufacturer's packaging). Specific packaging requirements apply to lithium batteries. See Publication 52, *Hazardous, Restricted and Perishable Mail* ([pe.usps.com/HAZMAT/Index](https://pe.usps.com/HAZMAT/Index)).
- Place a card inside the package that contains the delivery and return address. This ensures the package can be delivered or returned if the mailing label gets damaged or falls off.

- Never guess a ZIP Code. No ZIP is better than a WRONG ZIP. Look up a ZIP Code at [usps.com](https://usps.com) under Quick Tools.
- Include both “to” and “from” information on packages and only on one side.
- Do NOT reuse mailing boxes — they weaken in the shipping process.
- Select a box that is strong enough to protect the contents. Priority Mail and Priority Mail Express boxes are free at the local Post Office.
- Leave space for extra cushioning inside. Stuff glass and fragile, hollow items, like vases, with newspaper or packing material, to avoid damage. When mailing framed photographs, take the glass out of the frame and wrap it separately.

### Postal Posts Blog

The Postal Service is “holiday-ifying” the Postal Posts® blog ([uspsblog.com](https://uspsblog.com)) by offering new content every Monday from October 5 to December 28. That’s 13 weeks’ worth of tips, tricks, and advice to make the holidays easier and trouble-free.

### 2020 Holiday Information

#### Holiday Advertising Campaign

Our 2020 holiday campaign will feature direct mail, TV, radio, print, digital, and social media promotions highlighting the organization’s proud tradition of delivering cheer and value to consumers and businesses.

The first of several TV spots began airing in November and can be viewed on the Postal Service YouTube channel, USPS TV ([youtube.com/user/uspstv/custom](https://youtube.com/user/uspstv/custom)). A direct mailpiece with information customers need to know for the holidays will be mailed to more than 100 million homes by Thanksgiving.

#### Holiday Operating Hours

Post Offices locations nationwide will be closed on Christmas Day, Friday, December 25, and New Year’s Day, Friday, January 1, 2021. All Post Office locations will be open and regular mail delivery will resume on December 26, 2020, and January 2, 2021.

Some Post Office locations *may* have extended hours leading up to the holidays, and limited hours on Christmas Eve, Thursday, December 24, and New Year's Eve, Thursday, December 31. Customers should *always* check with their local Post Office locations for hours of operation.

Blue collection boxes with final collection times before 12 PM (noon) will not be affected by an early closing on December 24. If a box has a final collection time after 12 PM, the mail *may* be picked up earlier. For mail pick-up on December 24, please put your mail into blue collection boxes by noon regardless of the final collection times posted on the box.

As a reminder, blue collection boxes are not serviced on Sundays.

#### *Holiday Newsroom*

Customers can find news releases, shipping deadlines, fact sheets, how-to videos, and much more by visiting the holiday newsroom at [about.usps.com/holidaynews](http://about.usps.com/holidaynews).

#### *Holiday Hiring*

The Postal Service will be hiring seasonal employees across the country to meet operational needs and the needs of our customers. Hiring decisions are made at a local level. Instead of just hiring seasonally, the Postal Service is focusing its resources on actively hiring year-round.

#### *Employee Tipping*

All Postal Service employees, including mail carriers, must comply with the Standards of Ethical Conduct for Employees of the Executive Branch. Under these federal regulations, carriers may accept a gift worth \$20 or less (this includes store, restaurant, or mall gift cards). However, carriers must never accept cash and cash equivalents, such as checks or gift cards that can be used like credit cards (with Visa, MasterCard, or American Express logos) for any amount.

#### *Carriers and Dogs*

The Postal Service asks customers to place their dogs in a separate room before opening the front door to accept packages from carriers. Dogs are protective in nature and have been known to jump through screen doors and squeeze through door openings. More than 5,800 carriers were attacked by dogs last year. We want everyone to get home safely each day.

#### *National Postmark*

All First-Class Mail® postage stamps will be postmarked with this image from November 28, 2020, through January 1, 2021.

#### *USPS Operation Santa*

For the first time ever in its 108-year history, the USPS Operation Santa® program will happen *nationwide*. Originally, the program was established by the Postal Service to help families and children in need during the holidays. To participate in USPS Operation Santa, just write a letter, put it in a stamped envelope with your return address, and send it to Santa's official workshop address:

SANTA CLAUS  
123 ELF ROAD  
NORTHPOLE  
88888

Letters will be accepted from November 16 through December 15, 2020.

Letter adoption begins December 4 at [USPSOperationSanta.com](http://USPSOperationSanta.com). Potential adopters can read the letters and pick one or more wishes that they would like to fulfill. For security reasons, potential adopters must be vetted through a short registration and ID verification process before they are allowed to adopt a letter.

#### *Greetings from the North Pole Post Office – Santa Mail*

**SEASON'S GREETINGS  
NORTH POLE STATION  
NORTH POLE, AK 99705**

Greetings from the North Pole Post Office is a program for customers to help children receive authentic responses from the North Pole. Follow these steps to get a North Pole Postmark on your child's letter to Santa:

- Later, when alone, open the envelope and write a personalized response.
- Insert the response letter into an envelope and address it to the child.
- Add the return address to the envelope: SANTA, NORTH POLE.
- Affix a First-Class Mail® stamp to the envelope.
- Place the complete envelope into a larger envelope — preferably a Priority Mail Flat Rate envelope — with the appropriate postage and address it to:

NORTH POLE POSTMARK  
POSTMASTER  
4141 POSTMARK DR  
ANCHORAGE AK 99530-9998

The recommended mail-by date is December 7 for receiving a response before December 25. The Anchorage postmaster must receive the envelope no later than December 14. Santa's helpers in Anchorage, AK, will take care of the rest!

Dear Child,

Ho, Ho, Ho and Happy Holidays! What a wonderful surprise it was to receive your letter in my mailbox! Nothing makes me happier than getting letters from boys and girls like you who are on my nice list.

It's already snowing here at the North Pole, and I'm working extra hard this winter to get everyone's special gifts ready.

Luckily, I always get lots of great help from Mrs. Claus, the elves, and my reindeer!

Do you want to help us, too? We would love it if you can spread some more holiday cheer and do your best to stay on the nice list!

I can't wait to visit your house on Christmas Eve (and eat some yummy cookies)! Until then, I hope you have a very happy holiday season with your family and friends!

Sincerely,

*Santa Claus*

## Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at [usps.com/shop](https://usps.com/shop).

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)  
 USPS Stamp Fulfillment Services  
 8300 NE Underground Drive, Suite 300  
 Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

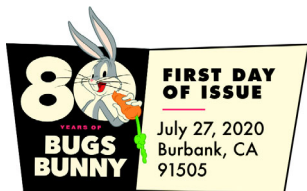

### Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)  
 USPS Stamp Fulfillment Services  
 8300 NE Underground Drive, Suite 300  
 Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail™. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.
