Cover Story

Prevent Heat Illnesses. Know the Signs and Act.

Rising temperatures can put employees at risk for heat illnesses. When the body is unable to cool itself by sweating, heat illnesses such as heat stress, heat cramps, heat exhaustion, and heat stroke may occur. Symptoms range from mild and easily correctable to severe and potentially life-threatening.

The United States Postal Service® (USPS®) implemented the Heat Illness Prevention Program (HIPP) to protect employees from heat illnesses and to educate them on how to stay safe during hot weather. HIPP is triggered during the period of April 1 through October 31, and at any other time when weather reports issued by the National Weather Service (NWS)¹ for a particular work location indicate that outdoor heat index temperatures are expected to exceed 80° Fahrenheit during the course of a workday or work shift.

High temperatures and humidity, direct sun or heat, limited air movement, physical exertion, poor physical condition, and some medicines are also contributing factors to heat illnesses. Heat illnesses and deaths are preventable when employees recognize the symptoms and know what to do.

Heat Stroke

Heat stroke, the most serious illness caused by heat stress, occurs when the body becomes unable to control its temperature or cool itself down. When this takes place, the body can experience major physical disabilities or in the most severe cases, death.

Symptoms	First Aid
■ Hot, dry skin or profuse sweating.	■ Call 9-1-1.
■ Hallucinations.	■ Notify supervision.
■ Chills.	■ Move to a shaded or cooler area.
■ Headache.	■ Cool the body with water or by fanning.
■ High body temperature.	
■ Confusion.	
■ Dizziness.	
■ Slurred speech.	

Heat Exhaustion

Heat exhaustion is severe dehydration due to the loss of water through sweating.

Symptoms	First Aid
■ Heavy sweating.	■ Call 9-1-1.
■ Extreme weakness.	■ Move to a shaded or cooler area.
■ Dizziness.	■ Drink plenty of water.
■ Nausea.	■ Cool the body with water or by fanning.
■ Clammy skin.	
■ Pale complexion.	
■ Cramps.	
■ Elevated temperature.	

Heat Syncope

Heat syncope is fainting due to dehydration or lack of acclimatization to hot environments.

Symptoms	First Aid
■ Light-headed feeling.	■ Move to a shaded or cooler area.
■ Dizziness.	■ Drink plenty of water.
■ Fainting.	

Heat Cramps

Heat cramps occur when the body sweats excessively and depletes the muscles of proper nutrients, causing the muscles to tense.

Symptoms	First Aid
■ Muscle pain or spasms.	■ Stop all activity.
	■ Move to a shaded or cooler area.
	■ Drink plenty of water.

Heat Rash

Heat rash is a skin irritation caused by excessive sweating.

Symptoms	First Aid
■ Red cluster of pimples or small blisters.	■ Keep affected area dry.
	■ Baby powder can prevent discomfort.

1. NWS weather reports can be obtained at [weather.gov](https://www.weather.gov).

If an employee experiences signs of heat-related illness, they must seek immediate medical assistance by calling 9-1-1. Also, here are some proactive tips to beat the heat:

- **Hydrate before, during, and after work.** Prevention is important — drink at least 8 ounces of water every 20 minutes.
- **Dress appropriately for the weather.** On warm days, wear light-colored, loose-fitting, and breathable clothing to keep your body temperature down.
- **Use the shade to stay cool.** When possible, use shaded areas to stay out of direct sunlight.

Employees who have difficulty breathing or experience discomfort as a result of the heat while wearing a face covering must remove the covering until the discomfort ceases. However, if employees remove their face coverings, they must practice social distancing while in contact with others, and sneeze or cough into their elbow or into a tissue.

DMM Revision: Basic Price Markings for Permit Imprint on Shipping Address Labels

Effective September 12, 2022, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), in various sections, to clarify the required placement of basic price markings when postage is paid by permit imprint on shipping address labels.

DMM 604.5.0, “Permit Imprint (Indicia),” states that a permit imprint indicia must include the basic price marking. DMM sections 102.3.0 and 202.3.0 state that, optionally, when a customer elects to use a shipping address label, the basic price marking may be included by a service indicator composed of two elements: a service icon and a service banner.

The Postal Service is revising DMM 604.5.0 to provide an exception to the required basic price marking in the permit imprint indicia when a customer elects to use a shipping address label. The Postal Service is also revising DMM sections 102.3.0 and 202.3.0 to add the shipping address

label option under additional classes of mail, and the Parcel Labeling Guide (on the PostalPro website), as a reference for clarity.

In addition, the Postal Service will update Quick Service Guide (QSG) 604d, “Permit Imprints,” to include the exception for price markings when a shipping address label is used.

Although the Postal Service will not publish these revisions in the DMM until September 12, 2022, the standards are effective immediately.

If the Electronic Verification System (eVS) is used under 705.2.9, the marking “eVS” (or the alternative “e-VS” or “E-VS”) must

appear directly below the permit number. The indicia may show the mailing date, amount of postage paid, or the number of ounces for which postage is paid. The ZIP Code of the permit holder may be shown directly after the state name or in a separate inscription reading “ZIP Code 00000,” when that ZIP Code does not create uncertainty about the permit holder’s correct address or permit number. The indicia may also include required price markings.

- b. The “Priority Mail Express,” or “Priority Mail” (or “Priority”), basic price marking may be omitted when using USPS-provided Priority Mail Express or Priority Mail containers.
- c. “The “Priority Mail Express,” “Priority Mail” (or “Priority”), “First-Class Mail,” or “First-Class Package” (or

“First-Class Pkg”) basic price marking may be omitted when using shipping address labels under 202.3.0.

- d. Instead of printing the city and state of mailing in the indicia, the mailer may print “Mailed from ZIP Code,” followed by the 5-digit ZIP Code assigned to the postmaster of the mailing office.

Energy Initiatives

Less Money, Smaller Footprint: Bringing Our Energy Consumption to Light

Energy consumption at Postal Service™ facilities for utilities, such as heating and lighting, cost \$588 million in Fiscal Year (FY) 2021. One strategy to help the Postal Service cut costs and meet its greenhouse gas emissions reduction goal, which requires a 25 percent reduction by 2030, is to expand our Utility Management System (UMS) program.

UMS captures our cost and use data for electricity, natural gas, water, sewer, steam, and fuel oil in our facilities. Additionally, UMS offers utility bill management tools and provides detailed utility consumption and cost profiles, bill payment, auditing, rate optimization, and easy-to-use reports. This information helps us manage energy consumption, prioritize how we invest in our facility energy infrastructure, and obtain better pricing for utility contracts.

UMS was implemented within the Postal Service infrastructure in 2008 and currently processes invoices for more than 6,000 facilities. Our goal is to expand UMS by adding

300 facilities in FY 2022 and 3,000 facilities in FY 2023. If your site meets the eligibility criteria for UMS, the Energy Initiatives team will contact you to begin the program.

If you have questions about UMS, send an email to the Utility Management mailbox at J4KTH0@usps.gov or contact:

Mr. Paul George
Energy Specialist, Energy Initiatives

Energy savings translate immediately into lower operating expenses. Saving energy is the right thing to do — for our customers, communities, and employees.

Information Security

Identity Theft is More Common Than You Think

According to the Federal Trade Commission, there were nearly 1.4 million reports of identity theft in 2021. Our increasingly digital lives allow cybercriminals to find new ways of putting our information and identities at risk daily.

Your personal information could include your full name, home address, email address, online login and passwords, Social Security number, driver's license number, passport number, or bank account number. Once thieves access this information, they may use it to commit identity theft or sell it on the dark web.

To help prevent identity theft, follow these guidelines:

- **Create unique passphrases for each account and device.** A strong passphrase should be 15 characters long and include letters and numbers. Change your password if you suspect your account has been compromised.

- **Never give out your personal information.** Never give this information to anyone you don't know, especially on phone calls you didn't initiate.
- **Only carry what you absolutely need in your wallet.** Leave your Social Security card, Medicare card, and debit and credit cards in a safe place at home.

Monitor your banking and credit card statements frequently, along with your credit reports and your mail. If you suspect you have fallen victim to identity theft, report it immediately to the U.S. Postal Inspection Service at ehome.uspis.gov/mailtheft/idtheft.aspx.

Mailing and Shipping Services

New Service Standards: Delivery Accelerated for Retail Ground and Parcel Select Ground

Effective August 1, 2022, the Postal Service™ will upgrade service standards for its Retail Ground and Parcel Select Ground® products.

Within the contiguous United States, service standards will be accelerated from 2–8 days to 2–5 days for the same affordable price. Items containing hazardous materials or live animals are not eligible for the upgraded service standards.

Under this change, customers will experience faster delivery. In addition to enhancing service and accelerating delivery times, customers will benefit from an affordable, medium-speed, shipping service for packages in excess of 1 pound.

Retail Ground is a ground shipping product for packages, thick envelopes, and tubes (with a maximum weight of 70 pounds) that are not required to be mailed via First-Class Mail® service and are available only through retail channels.

Parcel Select Ground is an economical ground delivery service similar to Retail Ground for commercial shippers.

The Postal Service is aligning the Retail Ground and Parcel Select Ground service standards with the current First-Class Package Service® standards within the contiguous United States.

Processing this mail with First-Class Package Service packages will enhance customer service and better optimize the Postal Service's package processing and surface transportation networks.

“Upgrading service standards for Retail Ground and Parcel Select Ground products is another way we are improving delivery for our customers,” said Postmaster General Louis DeJoy. “Offering faster, affordable delivery is how we will become the best in the industry.”

On March 21, 2022, USPS® filed a request with the Postal Regulatory Commission (PRC) for an advisory opinion regarding proposed changes to the service standards for Retail Ground and Parcel Select Ground competitive products.

Following a hearing on the record on June 9, 2022, the PRC issued an advisory opinion finding that this change constitutes an improvement in service and therefore generally benefits mailers and is in the public interest.

The PRC made certain recommendations in its opinion, and the Postal Service will, consistent with those recommendations, closely monitor the impacts of the change to ensure it achieves the anticipated operational and customer service benefits.

These service standard changes further the Delivering for America 10-year plan to achieve service excellence, which is defined as meeting or exceeding 95 percent on-time delivery across all product categories, as well as financial sustainability.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

Electronic Lead Card Function Now Available on Mobile Delivery Devices

On July 11, 2022, the Postal Service™ activated the electronic lead card function on Mobile Delivery Devices (MDD). Carriers may now enter lead card information directly into their MDD, instead of writing the information on a paper lead card and submitting it to management for input.

Once they log in, carriers may see a notification displaying any status changes to already submitted leads. This notification is displayed only once a day, at first login.

If no notification appears, then once carriers log into the “On the Street” menu, the MDD screen allows them to select option “U,” which gives carriers the ability to submit a lead or view their existing lead’s status (see guide). Showing lead status ensures employees understand that their leads are important and that the USPS® Sales team is diligently following up on their submissions.

Here are some important guidelines for the new lead card function:

- The most recent leads will be displayed at the top of the list.
- Once a lead status has been viewed, it will be removed from the device after 7 days.
- Any lead status that has not been viewed at all will be removed after 60 days.
- If the status of a lead removed is updated, the clock resets (and the 7-day and 60-day removal window begins again).
- All leads submitted on the MDD are linked to the Employee ID.
- Carriers can only view the status of the leads associated with their own Employee ID.

Note: Make sure your device displays the “Communication Successful” screen after cradling in-office to receive morning updates.

Stamp Announcement 22-29: Pony Cars Stamps

©2021 USPS

On August 25, 2022, in Sacramento, CA, the United States Postal Service® will issue the *Pony Cars* stamps (Forever® priced at the First-Class Mail® rate) in five designs, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 482400). These stamps will go on sale nationwide August 25, 2022, and must not be sold or canceled before the first-day-of-issue. **The *Pony Cars* commemorative pane of 20 stamps may not be split and the stamps may not be sold individually.**

Over the past 6 decades, fast and fun pony cars have become a uniquely American obsession. With bold colors and dramatic lighting, this pane of 20 stamps captures the energy and mystique of five iconic U.S. automobiles:

- 1969 Ford Mustang Boss 302,
- 1970 Dodge Challenger R/T,
- 1969 Chevrolet Camaro Z/28,
- 1967 Mercury Cougar XR-7 GT, and
- 1969 AMC Javelin SST.

Using photographs as a reference, the artist painted in oil on panels. Zack Bryant designed the stamps with original art by Tom Fritz. Greg Breeding served as art director.

Availability to Post Offices: Item 482400, Pony Cars (Forever Priced at the First-Class Mail Rate) Pane of 20 Stamps

Stamp Fulfillment Services will not make an automatic push distribution to Post Offices. Post Offices may begin ordering stamps before the first-day-of-issue through SFS Web at sfsweb.usps.gov/sfsweb.

Special Dedication Postmarks

Only the following pictorial postmark is permitted for the *Pony Cars* stamps. The word “Station” or the abbreviation “STA” is required somewhere in the design because it will be a temporary station. **Use of any image other than the following special pictorial image is prohibited.**

Guidelines for Finalizing the Pony Cars Stamps Pictorial Postmark Art

To finalize the *Pony Cars* stamps pictorial postmark art, insert the date, city, state, and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches (horizontally) by 2 inches (vertically). Collectors prefer the dimensions 3-1/2 inches by 1 inch.

The Postal Service™ must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services 4 weeks before the event using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to blue.usps.gov/form-mgmt/forms/ps413.pdf.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
