Cover Story

A U.S. Passport is Your Key to International Travel

The U.S. Department of State's Passport Services Directorate issues U.S. passports to traveling Americans. Passports are a request to foreign governments to permit you to travel, and also allow you to re-enter the United States.

A passport book or card is proof of identity and U.S. citizenship. U.S. citizens can use each as follows:

- The passport book for all international travel by air, land, or sea.
- The passport card to enter the United States from Canada, Mexico, the Caribbean, and Bermuda, and at land border crossings or sea ports-of-entry. U.S. citizens cannot use the passport card for international air travel. The wallet-size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a first-time passport book, passport card, or both, submitting your passport application is easy. The United States Postal Service® makes it convenient to apply for a passport with the Retail Customer Appointment Scheduler (RCAS) tool. Customers now have the opportunity to self-schedule a first-time passport application appointment through a variety of options:

- Online or on a mobile device at usps.com/scheduler.
- At any one of the 2700 Self-Service Kiosks (SSKs).
- At the Retail counter of more than 17,000 select Post Offices.

The RCAS tool guides you through the appointment process in four easy steps:

1. Choose a service.
2. Find available appointments.
3. Select your appointment time.
4. Provide contact information.

The RCAS tool will display available appointment times for participating Post Office™ locations that offer passport appointment services within the selected radius. Users will

receive notifications of their scheduled appointment via email or text.

If you are eligible to renew your passport, you do not need to make an appointment for the renewal. Simply take your documents and payment to the nearest Post Office and mail everything to the U.S. Department of State using Priority Mail® or Priority Mail Express® service. You may also be able to renew online at travel.state.gov/content/travel/en/passports.html.

For best results, follow these passport and international travel tips:

- Apply for your passport book or card early.
- Check the expiration date of your current passport. U.S. passports are issued to adults for 10 years and children under the age of 16 for 5 years.
- Visit the Department of State website (travel.state.gov/content/travel/en/passports.html) for the following information:
 - Find out how to apply for or renew your passport.
 - Get passport fees and forms.
 - Track your application.
 - Report your passport lost or stolen.
- Enroll in the Smart Traveler Enrollment Program at step.state.gov/step. U.S. citizens and nationals who travel and live abroad can use this free service to register their trip with the nearest U.S. Embassy or Consulate.
- For up-to-date information on when you will get your passport, see processing times at travel.state.gov/content/travel/en/passports/how-apply/processing-times.html.
- If you need your passport quickly, see Get My Passport Fast at travel.state.gov/content/travel/en/passports/get-fast.html.

DMM Revision: Caller Service Payment Method

Effective July 9, 2023, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, section 508.5.5.5, to reflect a change in the payment method for caller service.

On December 13, 2022, the Postal Service announced that, except for federal agencies paying through Intra-Governmental Payment and Collection (IPAC), customers must transition to the Enterprise Payment System (EPS) to renew and reserve caller services. The Postal Service will no longer accept payments by cash, credit or debit card, check, money order, or by mail, to a postmaster. Information on EPS is available on PostalPro at postalpro.usps.com.

For questions or support, contact the USPS® Mailing and Shipping Solutions Center (MSSC) at 877-672-0007 or MSSC@usps.gov.

Although the Postal Service will not publish this revision in the DMM until July 9, 2023, the standards are effective July 1, 2023.

DMM Revision: Commercial Mail Receiving Agencies

Effective July 9, 2023, the Postal Service will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, section 508.1.8, to reflect updates in regulations concerning Commercial Mail Receiving Agencies (CMRAs).

Current sections 1.8.1 through 1.8.3 will be renumbered as sections 1.8.2 through 1.8.4, and current section 1.8.4 (renumbered 1.8.5) will be deleted in its entirety. New section 508.1.8.1, “Commercial Mail Receiving Agency,” will define the type of business considered a CMRA and, therefore, which must comply with requirements in this section. The definitions are based on the type of service the business entity receives from the Postal Service.

An entity that receives U.S. Mail® for multiple customers and single-point mail delivery from the Postal Service is considered a CMRA for purposes of complying with these

requirements. Three specifically defined entities must register as a CMRA and comply with these requirements:

1. A CMRA that provides private mailboxes and accepts delivery of mail on behalf of another;
2. An office business center (OBC) that provides private office facilities for others and receives single-point mail delivery from the Postal Service; and
3. A reshipping or redelivery service that accepts delivery of mail on behalf of another for the purpose of reshipping or redelivering that mail physically or electronically.

Renumbered section 1.8.2, “Procedures,” will be revised to include the requirement that a CMRA owner apply to operate a CMRA by submitting a completed PS Form 1583-A, *Application to Act as a Commercial Mail*

Receiving Agency, and presenting acceptable, and not expired, forms of identification to the Post Office for review. If any information on PS Form 1583-A changes over time or expires, the CMRA owner must submit an updated form to the Postal Service. The Postal Service will scan and upload this form to the Postal Service’s Facilities Database (FDB).

The Postal Service will add a new item 1.8.2e as notice that CMRAs that do not comply with these regulations may be suspended and that CMRAs must comply in 30 days or less, or else the Postal Service may terminate the CMRA’s authorization to accept mail on behalf of others. Additionally, the Postal Service will add new item 1.8.2f to state that private mailboxes (PMBs) may not be used for unlawful activity.

Renumbered section 1.8.3, “Delivery to CMRA,” will be revised to specify requirements related to PS Form 1583, *Application for Delivery of Mail Through Agent*, that are necessary with the implementation of the new CMRA Customer Registration Database.

Item a. of renumbered 1.8.3 will be revised to specify that CMRA owners or managers must complete and submit a PS Form 1583 regarding themselves and that spouses must each complete a separate PS Form 1583 to both receive mail at the same PMB address. The Postal Service is also specifying that the name and address information submitted on PS Form 1583 must match the photo and address verification documents provided with the application, or the application will be rejected. Identification documents must be current (not expired). Any changes to the information on a PS Form 1583 will require submitting a new PS Form 1583.

Item c. of renumbered 1.8.3 will be revised to specify that CMRA owners or managers will be required to enter the data from PS Form 1583 and upload copies of the supporting documents into the Postal Service’s electronic CMRA Customer Registration Database rather than provide paper copies to their local Post Office™.

The Postal Service is adding new Item h. in renumbered 1.8.3 to specify that CMRA owners or managers must enter the date PMBs close into the CMRA Customer Registration Database, and that any expired, illegible, or unclear documents are not acceptable and will not be considered in compliance.

New Item i. of renumbered 1.8.3 will specify that each quarter CMRA owners or managers must certify that the information they submitted in the CMRA Customer Registration Database is current, with certifications due 15 days after the end of each quarter.

Renumbered item j. (current item i.) of renumbered 1.8.3 will be revised to specify that CMRAs must comply in no more than 30 days by correcting all deficiencies that the Postal Service identifies.

The Postal Service is adding a new item 1.8.3l to specify that the Chief Postal Inspector may direct the CMRA to withhold mail from delivery to an individual PMB and return that mail to the Postal Service.

Renumbered section 1.8.4, “Addressee and CMRA Agreement,” will be updated to describe procedures when the relationship between a CMRA and PMB holder end.

Item a. of renumbered 1.8.4 will be revised to specify that CMRA owners or managers must record when a PMB closes, enter that date in the CMRA Customer Registration Database, and maintain their records for a minimum of 6 months after the PMB closes.

Item b. of renumbered 1.8.4 will be revised to specify that if a CMRA reships, or otherwise remails the mail addressed to a PMB, whether physically or electronically, the CMRA must record on PS Form 1583 and in the CMRA Customer Registration Database the address where the CMRA reships, remails, or transmits the customer’s mail.

Additionally, if the mail is physically collected during the period that the PMB is active, but remailed during the 6-month period immediately after the PMB is closed, the remail address must be entered into the CMRA Customer Registration Database.

Item d. of renumbered 1.8.4 will be deleted in its entirety because the information in it is addressed in the revisions described above. Current items e. through g. of renumbered 1.8.4 will be renumbered as d. through f.

The Postal Service is deleting current section 1.8.4, “Office Business Center Acting as a CMRA,” in its entirety since office business centers (OBCs) are defined as CMRAs for purposes of this regulation as specified in new section 1.8.1.

The Postal Service believes these revisions will provide customers with a more efficient process for establishing a CMRA.

Although the Postal Service will not publish these revisions in the DMM until July 9, 2023, the standards are effective July 1, 2023.

1.8 Commercial Mail Receiving Agencies

[Add new 1.8.1 to read as follows and renumber current 1.8.1 through 1.8.4 as 1.8.2 through 1.8.5:]

1.8.1 Commercial Mail Receiving Agency

The definition of a Commercial Mail Receiving Agency is as follows:

- a. A Commercial Mail Receiving Agency (CMRA) is defined as a business that, in whole or in part, accepts the delivery of U.S. Mail on behalf of another person or entity as a business service. U.S. Mail is inclusive of all classes of mail.
- b. An office business center (OBC) is a business that operates primarily to provide private office facilities and other business support services to individuals or firms (customers). OBCs receive single-point delivery. OBCs are considered CMRAs for Postal Service purposes and must comply with the requirements in 508.1.8.
- c. A business or individual that operates primarily to provide reshipping or redelivery services to individuals or firms (customers) is considered a CMRA for Postal Service purposes and must comply with requirements in 508.1.8.

1.8.2 Procedures

* * * * *

[Revise the second paragraph of item b. of renumbered item 1.8.2 to read as follows:]

The CMRA owner or manager must present acceptable primary and secondary forms of identification as specified under 608.10.0. The forms of identification presented must be current (not expired). These forms of identification must contain sufficient information to confirm that the applicant is who he or she claims to be and is traceable to the bearer. The postmaster (or designee) must list and record on PS Form 1583-A (block 10) sufficient information to identify the two acceptable forms of identification.

* * * * *

[Revise the second sentence of the third paragraph of item b. of renumbered item 1.8.2 to read as follows:]

***If any information required on PS Form 1583-A changes, the CMRA owner or manager must file a new application with the postmaster.

[Revise the text of item c. of renumbered 1.8.2 to read as follows:]

- c. The postmaster (or designee) must verify the documentation to confirm that the CMRA owner or manager resides at the permanent home address shown on Form 1583-A; witness the signature of the CMRA owner or manager; and sign Form 1583-A. The post-

master must provide the CMRA owner or manager with a copy of the DMM regulations relevant to operating a CMRA under 1.8. The CMRA owner or manager must sign the Form 1583-A acknowledging receipt of the regulations. The postmaster must file the original of the completed Form 1583-A at the Post Office, scan and upload a copy into the Facilities Database (FDB), and provide the CMRA with a duplicate copy.

* * * * *

[Revise the text of renumbered 1.8.2 by adding new items e. and f. to read as follows:]

- e. CMRAs that do not operate within Postal Service regulations will be suspended from authorization to act as a CMRA until the CMRA complies with regulations. If the CMRA does not comply in 30 days or less, the Postal Service may terminate the CMRA's authorization to accept mail on behalf of others.
- f. A Private Mail Box (PMB) must not be used for, or in connection with, a scheme or enterprise that violates any federal, state, or local law; breaches an agreement with a federal, state, or local agency whereby the box customer has agreed to discontinue a specified activity; or violates or attempts to evade any order of a court or administrative body.

1.8.3 Delivery to CMRA

* * * * *

[Revise the text of item a. of renumbered 1.8.3 to read as follows:]

- a. The following applies:
 1. Mail delivery to a CMRA requires that CMRA owners or managers complete and sign PS Form 1583, *Application for Delivery of Mail Through Agent*, regarding themselves. A separate PS Form 1583 must be completed for each addressee of a Private Mail Box (PMB) for residential or personal use. Spouses must each complete and sign a separate PS Form 1583 to both receive mail at the same PMB. Each spouse must provide acceptable primary and secondary forms of identification as specified under 608.10.0.
 2. A parent or guardian may receive delivery of a minor's mail by listing the name(s) of each minor on PS Form 1583 (block 11).
 3. The CMRA owner or manager, authorized employee, or a notary public must witness the signature of the addressee. The addressee must complete all entries on PS Form 1583. The CMRA owner or manager must verify the documentation to confirm that the addressee resides or conducts

business at the permanent address shown on PS Form 1583. The address is verified if there is no discrepancy between information on the application and the identification presented.

- 4. If information on the application does not match the identification, the CMRA must deny the application. Furnishing false information on the application or refusing to provide required information is reason for withholding the addressee’s mail from delivery to the agent and returning it to the sender.
- 5. When any information required on PS Form 1583 changes, the addressee must complete a new application with the CMRA. The addressee must provide acceptable primary and secondary forms of identification as specified under 608.10.0. The identification presented must be current (not expired). It must contain sufficient information to confirm that the applicant is who he or she claims to be and is traceable to the bearer.
- 6. The CMRA owner or manager must list and record on PS Form 1583 (block 10) sufficient information to identify the acceptable primary and secondary forms of identification presented and write on PS Form 1583 (block 4) the complete CMRA delivery address used to deliver mail to the addressee.

* * * * *

[Revise the text of item c. of renumbered 1.8.3 to read as follows:]

- c. The CMRA must enter the information provided on each PS Form 1583 and upload a clear and legible copy of each identification document into the USPS CMRA Customer Registration Database (CRD). The following also applies:
 - 1. The CMRA must maintain, at a minimum, a digital copy of a completed PS Form 1583 at the CMRA business location. The PS Form 1583 must be available at all times for examination by Postal Service representatives and Postal Service inspectors.
 - 2. Images of the primary and secondary forms of identification are not required to be retained at the CMRA after they are uploaded into the CMRA Customer Registration Database. If, upon review by the Postal Service, the image uploaded is not clear and legible, the CMRA will be notified to promptly collect and upload a replacement image.

[Delete item d. of renumbered item 1.8.3 in its entirety and renumber current items e. through h. as items d. through g.]

* * * * *

[Add new items h. and i. to read as follows and renumber current items i. and j. as items j. and k:]

- h. The CMRA must ensure that all its addressees (customers) have a current PS Form 1583 on file and that information for each addressee is up to date in the USPS CMRA Customer Registration Database. Updates must include termination dates for any PMBs closed in the previous quarter. Any expired, illegible, or unclear identification or address documents uploaded into the CMRA Customer Registration Database will be considered not in compliance.
- i. The CMRA must certify in the USPS CMRA Customer Registration Database each quarter (certification due on January 15, April 15, July 15, and October 15), that every PS Form 1583 it submitted is current, all termination dates have been updated, and no identification documents are expired.

[Revise the last sentence of renumbered item j. to read as follows:]

- j. ***The proper notification must be in writing outlining the specific violation(s), with a 30-day period to comply.

* * * * *

[Add new item l. to read as follows:]

- l. The Chief Postal Inspector or designee may issue an emergency mail-withholding order to withhold mail to any PMB holder who is suspected of utilizing a CMRA or PMB for any activity that violates United States Code Title 18 or Title 39, and that the mail be returned to sender, forwarded to the mail recovery center, or otherwise handled in accordance with a court order. The CMRA must give the mail addressed to the withheld PMB to the letter carrier or return it to the Post Office responsible for delivery to the CMRA the next business day after receipt.

1.8.4 Addressee and CMRA Agreement

* * * * *

[Revise the text of item a. of renumbered 1.8.4 by adding new second through fifth sentences to read as follows:]

- a. ***The CMRA must write the date of termination on its copy of PS Form 1583. The CMRA must enter the date of termination in the USPS CMRA Customer Registration Database as soon as practical. The CMRA must retain the endorsed copies of PS Forms 1583 for a minimum of 6 months after the termination date. PS Forms 1583 filed at the CMRA business location must be available at all times for examination by Postal Service representatives and Postal Service inspectors.

[Revise the text of item b. of renumbered 1.8.4 by adding new second through sixth sentences to read as follows:]

- b. ***The remail of mail intended for the addressee (customer) is the responsibility of the CMRA. This includes at least a 6-month period immediately after the termination date of the agency relationship between the CMRA and the addressee. The addressee (customer) must provide the remail address (or email if correspondence is scanned for digital delivery) on PS Form 1583. The remail address must be entered into the USPS CMRA Customer Registration Database. If the addressee collects his or her mail in person at the CMRA, but elects to have his or her mail remailed for the 6-month post-termination period, the CMRA must record this remail address on the CMRA's copy of PS Form 1583 and enter this remail address in the USPS CMRA Customer Registration Database with the date of termination.***

* * * * *

[Delete item d. of renumbered 1.8.4 in its entirety and renumber current items e. through g. as items d. through f.]

[Revise the text of renumbered item d. by deleting the second and third sentences.]

[Delete renumbered 1.8.5, "Office Business Center Acting as a CMRA," in its entirety.]

DMM Revision: Methods and Forms of Identification

Effective July 9, 2023, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, sections 507.2.1.4 and 608.10.2, to reflect changes in Postal Service required methods and forms of identification.

The Postal Service is revising section, 507.2.1.4, "Methods of Filing," regarding Internet Change of Address (ICOA) orders to reflect changes designed to improve online security and mitigate potential fraud. Customers are now required to go through a multi-factor authentication process that includes device-reputation verification and may require a one-time password validation for ICOA orders, in addition to credit card verification.

The Postal Service is also revising section 608.10.2, "Products and Services Requiring Acceptable Identification," to include that in certain instances (e.g., COA) when an acceptable primary form of identification does not contain acceptable address identification, the Postal Service may require an acceptable secondary form of identification.

Although the Postal Service will not publish these revisions in the DMM until July 9, 2023, the standards are effective immediately.

DMM Revision: USPS Corporate Account Postage Payment Method Discontinued

Effective July 9, 2023, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), in various sections, to reflect the discontinuation of the USPS® Corporate Account (USPSCA) payment method.

The Postal Service provided corporate account customers an opportunity to respond to an electronic survey, which the USPS Market Research and Insight Group administered, between April 2021 and June 2021. Based on customer feedback, the downward trend in revenue and volume, and account holders’ low usage of the product, the Postal Service decided to discontinue the USPSCA postage payment method for Priority Mail Express® mailpieces. As a result, the Postal Service is also discontinuing the Priority Mail Express Manifesting System.

Commercial Priority Mail Express customers will continue to have the option to pay postage with USPS Click-N-Ship®, postage evidencing systems, and permit imprint (eVS®).

The Postal Service is implementing this change effective July 1, 2023. However, mailers may opt to migrate to other eligible postage payment methods immediately.

For information on how to migrate, customers may contact their Sales Account/Business Service Network representative or local Post Office™, or email the Mailing and Shipping Solutions Center at MSSC@usps.gov. Additionally, the Postal Service will update the applicable Quick Service Guides.

The Postal Service believes discontinuing this payment method will provide customers with a simpler, more efficient process.

Although the Postal Service will not publish these revisions in the DMM until July 9, 2023, this standard is effective July 1, 2023.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

Changes

APO/FPO/DPO	Action	Effective Date	See Restrictions

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds. Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the*

Thrift Savings Plan for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Environmental Management

Refrigerant Management Compliance Reminder

When released, refrigerants can harm the environment. Refrigerant-containing equipment (e.g., chillers, air conditioners, fire suppression systems, drinking fountains, refrigerators, and freezers) at Postal Service™ sites must be managed in accordance with USPS® and regulatory requirements. This includes requirements for training, handling, recordkeeping, and disposal, which apply to both Postal Service employees and contractors performing maintenance on USPS equipment.

Follow these requirements for proper refrigerant management:

- Never vent or release refrigerants into the atmosphere for any reason.
- Maintain required refrigerant documentation:
 - Records of system maintenance, service, and repair, particularly those documenting refrigerant addition or removal. Sites must obtain and maintain records from contractors who service refrigerant-containing equipment. The contractor records must show the work performed, not just contractor hours on-site.
- Individual service logs and leak-rate calculations whenever refrigerant is added for systems containing more than 50 pounds of refrigerants.
- Training records.
- Regulatory air permits and related fees.
- Investigate refrigerant leaks and repair leaking equipment immediately.
- Complete required training and obtain Environmental Protection Agency (EPA) technician certification:
 - Employees who maintain, service, or repair refrigerant-containing equipment must be certified, including employees who service motor vehicle air conditioning systems.
 - Employees who purchase refrigerants may also require certification.
- Manage refrigerant storage cylinders properly:
 - Store in a centralized, secure location that is restricted to authorized employees.
 - Purchase and use cylinders that are certified by the Air-Conditioning, Heating, and Refrigeration Institute and Underwriters Laboratories.

- Label refrigerant cylinders clearly.
 - Document each cylinder purchase and use of the refrigerant.
 - Only use recovery cylinders that are within 5 years of their last certification.
 - Dispose of refrigerants, refrigerant-containing equipment, and cylinders properly:
 - **Refrigerant equipment.** Evacuate refrigerants and tag equipment as “Empty.” Use a local waste management or scrap vendor for disposal and keep disposal records.
 - **Refrigerants and refrigerant-containing cylinders.** Recycle waste refrigerants using an EPA-approved reclaimer. Keep records of off-site shipments. Never send refrigerants for disposal and never mix refrigerant types in the same cylinder.
 - **Empty refrigerant cylinders.** Label as “Empty” and recycle with other steel recyclables at a local steel recycling center. Never reuse nonrefillable cylinders.
- For more information, consult your designated USPS environmental contact at blue.usps.gov/sustainability/contact.htm and review the following guidance documents:
- *Refrigerant Management Environmental Compliance Bulletin* at blue.usps.gov/sustainability/environmental/_pdf/ecb-refrigerant-management.pdf.

Equal Employment Opportunity Policy Statement

The United States Postal Service® (Postal Service™) is committed to equality of opportunity in every aspect of employment. Equal employment opportunity (EEO) is not only a legal requirement under our nation's laws, but also a business imperative to support our organization's strategic mission of delivering to every household and business in America. EEO covers all personnel/employment programs, management practices, and decisions including, but not limited to, recruitment/hiring, merit promotion, transfer, reassignments, training and career development, benefits, and separation.

It is the policy of the Postal Service that all employees and applicants for employment be afforded the freedom to compete on a fair and level playing field in all aspects of employment without regard to race, color, sex (including pregnancy, sexual orientation, and gender identity, including transgender status), national origin, religion, age (40 or over), genetic information, disability, or retaliation for prior EEO activity. It is also the policy of the Postal Service to provide EEO without regard to marital status, status as a parent, and past, present, or future military service. The Postal Service prohibits discrimination or harassment based on any of these categories and is committed to correcting harassment before it becomes severe or pervasive.

Postal Service employees who believe that they have been subjected to discrimination, harassment, or retaliation should contact the Postal Service Equal Employment Opportunity Office through the online Postal Service EEO efile application at <https://efile.usps.com> or by writing to: NEEOISO–EEO Contact Center, Post Office Box 21979, Tampa, FL 33622-1979, within 45 calendar days of the alleged discriminatory action, or in the case of a personnel action, within 45 calendar days of the effective date of the action.

The Postal Service supports the rights of all employees and applicants to exercise their rights under the civil rights statutes and does not tolerate harassment or retaliation against individuals for engaging in protected activity (e.g., reprisal for previous EEO or Uniformed Services Employment and Reemployment Rights Act (USERRA) activity is not tolerated).

The Postal Service is committed to remedying workplace conduct that is contrary to this policy. Employees found to have taken actions that violate this policy, including in retaliation against anyone for engaging in protected activity, will be subject to corrective action up to and including removal.

All of us share in the responsibility for successfully incorporating the Postal Service's policy on EEO in every aspect of our duties and complying with this country's EEO laws, and the Postal Service supports the rights of all employees to exercise their rights under the civil rights statutes.

Postal Service's Policy on Workplace Harassment

The United States Postal Service® (Postal Service™) is committed to providing a work environment free of harassment based upon race, color, religion, sex (including pregnancy, sexual orientation, and gender identity including transgender status), national origin, age (40 or over), mental or physical disability, genetic information, uniformed (military) service, or in reprisal for previous Equal Employment Opportunity (EEO) activity (an employee's or applicant's complaint about, or opposition to, discrimination or participation in any process or proceeding designed to remedy discrimination) or Uniformed Services Employment and Reemployment Rights Act (USERRA) activity. All employees are expected to treat coworkers with dignity and respect. Supervisors and managers will take prompt action to prevent, address, and remedy workplace conduct that is contrary to this policy. Violation of this Workplace Harassment policy may result in disciplinary action up to and including removal.

Prohibited Harassment

Harassment is unwelcome conduct that demeans or shows hostility or aversion toward an individual or group of individuals because of their race, color, religion, sex (including pregnancy, sexual orientation, and gender identity, including transgender status), national origin, age (40 or over), mental or physical disability, genetic information, political affiliation, marital status, status as a parent, and past, present, or future military service, or in reprisal for EEO or USERRA activity ("Prohibited Harassment"). Examples of harassing conduct may include, but are not limited to, making offensive or derogatory comments or engaging in physically threatening, intimidating, or humiliating behavior. Such conduct is prohibited by Postal Service policy and may also violate federal antidiscrimination laws when it results in a tangible employment action or becomes so severe or pervasive that it creates a hostile work environment.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors or other conduct of a sexual nature such as, but not limited to making or threatening to make employment decisions based on an employee's submission to, or rejection of, sexual advances or requests for sexual favors; deliberate or repeated unsolicited remarks with a sexual connotation or physical contact of a sexual nature that is unwelcome to the recipient; or behavior that creates a sustained hostile or abusive work environment so severe or pervasive that it unreasonably interferes with or changes the conditions of employment.

The Postal Service does not tolerate workplace harassment, and disciplinary action may result even if the conduct does not constitute Prohibited Harassment or harassment under the law.

Management Responsibility

All managers and supervisors are responsible for preventing harassing conduct and inappropriate behavior that could lead to Prohibited Harassment or illegal harassment and must respond promptly when they learn of any such conduct. Any manager or supervisor who receives a

- 2 -

complaint or learns of harassing conduct or inappropriate behavior that could lead to Prohibited Harassment or illegal harassment must see that prompt and thorough action is taken. Harassing conduct must be corrected before it becomes severe or pervasive. Management must take action in accordance with Publication 552, *Manager's Guide to Understanding, Investigating, and Preventing Harassment*.

Employees' Rights and Responsibilities

Postal Service employees who believe that they are being subjected to harassing conduct or inappropriate behavior, or who have witnessed such conduct or behavior, should bring the situation to the attention of a supervisor, a manager, the manager of Labor Relations, or the manager of Human Resources. Refer to Publication 553, *Employee's Guide to Understanding, Preventing, and Reporting Harassment* for further information. The Postal Service will act to protect the confidentiality of complainants but cannot promise complete confidentiality.

Employment discrimination and retaliation for raising a claim of harassment (or discrimination), reporting inappropriate conduct, or providing evidence in an investigation are illegal and can result in disciplinary action up to removal. As a Postal Service employee, you are protected. Report discrimination or retaliation to a supervisor, manager, the manager of Labor Relations, the manager of Human Resources, or a Special Agent of the Office of Inspector General (OIG).

Employees may request pre-complaint counseling through the online Postal Service EEO efile application at <https://efile.usps.com> or in writing by providing their name, Social Security or employee identification number, address, and telephone number to: National EEO Investigative Services Office—EEO Contact Center, Post Office Box 21979, Tampa, FL 33622-1979. A USERRA complaint may be filed by contacting the Department of Labor, Veterans Employment and Training Service (DOL/VETS), or the Merit Systems Protection Board (MSPB). In addition, bargaining-unit employees may seek relief through the relevant grievance-arbitration procedures, and, if applicable, nonbargaining employees may use the grievance procedures described in Section 652.4, *Employee and Labor Relations Manual*. ELM 666.3, *Whistleblower Protection*, describes procedures for reporting allegations of reprisal for making whistleblower-protected disclosures as described in ELM 666.18 to OIG.

Allegations involving any possible criminal misconduct should, at a minimum, be reported to law enforcement authorities as follows: any physical misconduct relating to workplace harassment (i.e., any physical assault, threat of a physical assault, or stalking) should be reported to local law enforcement and the United States Postal Inspection Service. In addition to seeking immediate medical attention, use of any electronic device computer or internet to transmit threatening or harassing communications, obscene or indecent images and materials, and any criminal conduct other than threats and assaults, should be reported to the OIG.

 - Eat a diet rich in fruits, dark leafy green vegetables, and fish high in omega-3 fatty acids to keep your eyes healthy.
 - Wear protective eyewear when playing sports or doing activities around the home.
- Wear your shades. When purchasing sunglasses, look for ones that block out 99 to 100 percent of UVA and UVB radiation.
 - Give your eyes a rest. If you spend a lot of time at the computer or focusing on any one thing you can forget to blink and your eyes can get fatigued. Try the 20-20-20 rule — every 20 minutes, look away about 20 feet in front of you for 20 seconds. This short exercise can help reduce eyestrain.
 - Clean your hands and your contact lenses properly. Always wash your hands thoroughly before putting in or taking out your contact lenses. Disinfect contact lenses as instructed and replace them as appropriate.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:
