USPS National Dog Bite Awareness Week, June 4–10, 2023

Even Good Dogs Have Bad Days (#dogbiteawareness)

Sponsored by the United States Postal Service®, National Dog Bite Awareness Week is a public service campaign that offers safety tips and emphasizes the need for increased owner responsibility in the prevention of dog attacks.

The Postal Service™ reports the number of dog attacks and bites together as the most prominent threat to carriers. Last year, over 5,300 Postal Service employees were victimized by dogs. This is why we are asking you to restrain your dog when your carrier is delivering your mail.

Many of us are dog lovers, but few of us are dog experts. People who have friendly pets often expect a friendly reaction from other dogs. However, even friendly dogs will bite given the right circumstances. Dogs are primarily territorial in nature and protective of their owners and their owners' property, which can sometimes mean attacking and possibly biting the letter carrier.

Make sure your dog is in a location away from the door when the mail carrier comes to your house. If you go outside, close the door behind you to make sure your dog doesn't get out. If you are outside with your dog while mail is being delivered, make sure your dog is away from the mail carrier and on a leash.

The tools available in this kit and online will help promote awareness of this public health concern in an effort to reduce the number of adverse interactions with our letter carriers in local communities. Be sure to contact the field communications professionals listed in this kit when promoting this initiative.

Dog Bite Awareness Background and Tips

The Victims

- Last year, many attacks reported by letter carriers came from dogs whose owners regularly stated, "My dog won't bite."

How to Avoid Being Bitten

- Don't run past a dog. The dog's natural instinct is to chase people who run.
- If a dog threatens you, don't scream. Avoid eye contact. Try to remain still until the dog leaves, and then back away slowly until the dog is out of sight.
- Don't approach a strange dog, even one that is leashed or confined.

- If a dog is about to attack, try to place something between yourself and the dog, such as a satchel, backpack, or bicycle.

How to Be a Responsible Dog Owner

- Obedience training can teach dogs proper behavior and help owners control their dog in any situation.
- When a letter carrier comes to the home, keep dogs:
 - Inside the house or behind a fence.
 - Away from the door.
 - In another room.
 - On a leash.
- Dogs can be protective of their territory and may interpret the actions of letter carriers as a threat. Take precautions when accepting mail in the presence of your pet.
- Dogs that haven't been properly socialized, receive little attention or handling, or are left tied-up for long periods frequently turn into biters.

Dog Attack Prevention Tips for Mail Carriers — How to Help Prevent Dog Attacks

Protect yourself by doing the following every day:

1. Carry dog repellent.
2. Update dog warning cards, if necessary. The safety of your coworkers starts with you.
3. Take messages on your Mobile Delivery Device (MDD) seriously when you receive an alert about hazards, such as dogs, on your route.
4. Report any dog incidents on your route (e.g., close calls) to your supervisor. An “almost bite” today could be a “bite” tomorrow.

Remember these simple rules:

1. If approached by a dog, resist the impulse to scream and run away. Running will trigger a chase response.
2. Remain still, place your satchel between you and the dog, and avoid eye contact with the dog.
3. Once the dog has calmed down, back away. Do not turn your back on a dog because a fearful dog may unexpectedly bite.

Be aware of your surroundings to protect yourself:

1. Stay alert at all times:
 - a. Observe the area carefully.
 - b. Don't wear earbuds or Bluetooth devices that could affect your ability to hear what is going on around you.
 - c. Be aware of common places dogs may hide (e.g., under parked cars, under hedges, or on porches).
 - d. Rattle the gate before entering a fenced-in yard.
 - e. Place your foot against an outward swinging door when making a delivery to a customer at the door.
 - f. Refrain from handing mail to a customer or child if a dog is present.
2. If you encounter a dog:
 - a. Never assume that a dog won't bite, even if it has been friendly in the past. Any dog can bite.
 - b. Always keep your eye on the dog. Dogs are more likely to bite when you aren't looking.
 - c. Never startle a dog. If it is asleep, make some kind of non-startling noise, such as a soft whistling, or call its name if you know the dog. Do this before getting close to the dog to ensure time and space for an “out.” Never reach out and pet the dog.

- d. Stand your ground. Turn and face the dog. Hold something in front of you, like your satchel, and back away slowly to ensure you don't stumble and fall. Never turn and run!

- e. Keep at least one full can of dog repellent spray within reach at all times. If a dog attacks, use the repellent to protect yourself. Before going on your route, make sure your can has not expired.

3. Use these preventative measures:

- a. No one likes a surprise. Fill out a Dog Warning Card for your route, so the information can be entered into the system and sent via MDD.

- b. Notify your supervisor that there is an unresolved dog hazard that makes you fearful on the route.

Information for Postal Managers

Progressive Warning Letters and Management Information

This section offers materials for supervisors to help carriers safely perform their jobs. Use the progressive warning letters to alert dog owners to the possible loss of mail delivery if they do not restrain their pets. Also, don't forget to send a letter of thanks when they do!

Warning letters, like collection letters, need to be handled tactfully. The first and second sample letters on the website tell customers what to do. The third tells them the Postal Service has taken corrective steps. The fourth and fifth letters detail customer options. Keep in mind that the purpose is not to police the neighborhood, but to ensure a safe environment for carriers to do their work. Though most customers will respond to the first polite request, be sure to follow up if they don't. Management in associate offices can help drive down dog bites by taking these actions:

- Verify that dog warning cards are placed in carrier cases for addresses with known dogs.
- Enter dog warnings into the Regional Intelligent Mail Server.
- Verify that carriers have dog spray and satchels at all times.
- Train carriers how to react to dog attacks using service talks and videos from Safety resources.
- Provide sample dog letters for customers, dog bite prevention talks, and safety videos. These and other resources are available at blue.usps.gov/hr/safety/dog-bite-prevention.htm.

Mail Suspension Policy

Collection and delivery service personnel must report the name and address of the customer where animal interference occurs to the postmaster or authorized supervisor, who must immediately telephone the customer and request that the animal is confined during the usual neighborhood delivery hours. The postmaster or authorized supervisor must further inform the customer that:

- No deliveries will be made until this is done; and
- Service will be restored once assurance has been given that the animal will be confined during regular delivery hours.

Dog Owner's Responsibility

It is the owner's responsibility to control his or her dog. Most communities have ordinances for the control of dogs. Though postmasters frequently request that customers control their dogs or face discontinued service, injuries still occur.

Additional Resources

In addition to this kit and online materials, a number of resources are available to help educate employees, customers, and the entire community about the importance of dog bite prevention. While the Humane Society of America is not an official partner during this year's National Dog Bite Awareness Week campaign, they are always willing to help organizations that promote safety around animals.

Four Tips for Preventing Dog Attacks on Mail Carriers

Can you picture a member of your family attacking a mail carrier? Of course not, but it happened over 5,300 times last year across the nation.

"I was bit by a dog on my leg recently and my mail satchel helped protect me," said Francisco Juarez, a letter carrier who delivers in Houston, TX. "The sound of a dog barking while on my route puts me on high alert and I try to be ready to protect myself."

Juarez recognizes the importance of the safety training he's received as a letter carrier to help protect himself from dog attacks while delivering the mail. Even though he diligently follows dog bite safety protocols while on his route, he was still attacked by a dog.

When a dog attacks a letter carrier, the dog owner could be held liable for all medical expenses, repayment of lost work hours, replacement of the uniform and other costs, which can run into thousands of dollars. The Postal Service makes the safety of its employees a top priority and dedicates a week each year to Dog Bite Awareness.

Here are four simple tips to prevent dog bite injuries year round:

Door Delivery: If a carrier delivers mail or packages to your front door, place your dog in a separate room and close that door before opening the front door. Some dogs push through screen doors or plate-glass windows to attack visitors. Dog owners must keep the family pet secured. Never take mail directly from carriers in the presence of the family pet, as the dog may see this as a threatening gesture.

Electronic Fencing: Carriers may assume, if they see no physical fence around a property, that the property is animal-free. This can be a dangerous mistake. Postal Service officials request that you keep your dog restrained or inside when the mail is delivered. Although the electronic fence may keep your dog from wandering, it does not protect your carrier, who must enter your property to deliver the mail. Even homes with curbside mailboxes may have oversized packages or signature-needed items that require the carrier to approach a doorstep and cross the boundaries of the electronic fence. This poses a serious risk to carrier safety.

Dog in the Yard: Make sure your dog is properly restrained on a leash and away from where your mail carrier delivers the mail. If the carrier deems a residence unsafe because of an unrestrained dog, mail delivery service can be interrupted. When service is interrupted at an address or in a neighborhood, all parties involved will have to pick up mail at their local Post Office. Service will be restored once assurance has been given that the animal will be confined during regular delivery hours.

Tracking: Dog owners who have access to postal notification features, such as Informed Delivery (informeddelivery.usps.com) for letter mail and package tracking, are urged to use these features to determine when the carrier is on their way and to ensure their dog has been properly restrained. Expecting a postal package delivery on Sunday? Postal officials urge dog owners to restrain their animals on Sundays as well, as more residences now receive deliveries throughout the weekend.

Letter to the Editor

Publication Name
Street Address
City, State and ZIP Code

Dear Editor,

Did anyone bite you at work today?

On average, nearly 15 mail carriers per day will say, "Yes."

Postal Service officials report that in 2022, over 5,300 letter carriers experienced dog bites or dog attacks. With deliveries every day, including Sundays and holidays, carriers continue to experience dog bites in urban, suburban and rural settings.

Dog attacks and bites are 100 percent preventable when dog owners remain vigilant and properly restrain their dogs.

To ensure mail carriers' safety, dog owners must securely lock their dog in another room until a delivery exchange is done. If a dog is outside, the dog must be leashed away from the mailbox.

When a carrier feels unsafe, mail service could be interrupted, not only for the dog owner, but for the entire neighborhood. When mail service is interrupted, mail must be picked up at the Post Office. Service will not be restored until the dog is properly restrained.

With your help, we can keep our carriers, your neighbors and your dogs safe. Thank you for protecting your pet and our mail carriers as we continue to bring packages and other important correspondence to your door each day.

Sincerely,

General Letters to Customers (English and Spanish)

Expressing Concern (English)

Dear Postal Customer:

Your letter carrier takes pride in delivering your mail promptly and efficiently. That means being able to approach your mailbox without interference from your pet.

Although your dog may not be known to bite or otherwise be dangerous to people, your carrier has expressed concern about its behavior. I believe you will agree this concern is understandable, since thousands of letter carriers receive bites or other physical harm from dogs each year. Many of these attacks result in serious injury.

This letter is to inform you that we are concerned your dog may have a tendency to attack, bite, or otherwise injure your letter carrier.

To continue providing uninterrupted mail delivery to you while protecting our letter carriers, the Postal Service requests your assistance. **Please confine your dog or keep it on a leash — away from the path your carrier uses to deliver your mail.**

We appreciate your cooperation.

Expressing Concern (Spanish)

Apreciado Cliente Postal:

Su cartero se siente muy orgulloso de darle un servicio de entrega diario, con mucha rapidez y eficacia. Eso significa el tener un acceso sin interferencia de su mascota cuando su cartero se dirige hacia su buzón de correspondencia.

A pesar de que se desconoce si su perro(a) halla mordido a alguien o que represente peligro a otras personas, su cartero ha expresado una preocupación debido al comportamiento de su perro(a). Pensamos que usted entenderá esta preocupación ya que cada año miles de carteros han sido mordidos, o físicamente atacados por perros. Muchos de estos ataques han causado heridas serias.

Esta carta es para informarle a usted que estamos muy preocupados de que su perro(a) tenga la tendencia de atacar, morder, o herir a su cartero.

Para proveerle a usted un servicio sin interrupción, y a su vez proteger nuestros carteros, el Servicio Postal le pide cordialmente su ayuda. **Porfavor mantenga su perro asegurado — ya sea en su casa o detrás de la cerca con un collar que le impida la posibilidad de hacer daño a alguna persona — tambien manténgalo fuera de la ruta que su cartero utiliza para llevar su correspondencia.**

Apreciamos mucho su cooperación.

Compliance (English)

Dear Postal Customer:

May I express appreciation for your continuing cooperation on behalf of both your regular letter carrier, **[Name]**, and the substitute carriers who deliver your mail in **[Name's]** absence.

Sincerely,

Compliance (Spanish)

Apreciado Cliente Postal:

Postmaster Outreach Speech to Students

Dog Attack Prevention Speech for School Children – grades K-2

[Make the presentation light and fun. Even though this is a serious subject, children will respond to a friendly and approachable adult.]

Good morning boys and girls.

My name is **[Name]** and I'm your postmaster. **[Tell the children what a postmaster is/does.]**

I am here today because I have a message from Postal Pup! **[Open a letter in an envelope with this message.]**

Postal Pup needs your help!

I am going to read you a message from Postal Pup:

Hello Kids! Postal Pup here!

Your mail carrier loves delivering your mail but sometimes your dogs don't love the mail carrier. Some mail carriers have to go to the hospital because of dogs in the neighborhood and that's no fun, right? As dogs, we love our human families, but when we see the mail carrier, we can get overprotective.

If you are in your yard and the mail carrier wants to hand you a letter, what does that look like to you? **[Reach to a child and hand them a "letter" – wait for excited response.]**

I know it seems okay, but your dog doesn't know you're okay. If your dog doesn't know you're safe, he might bite the mail carrier. Ouch! You must let your mail carrier place the mail in your mailbox.

Our job as dogs is to protect each and every one of you, the ones we love. Sometimes when we are overprotective, we bite the mail carrier to protect you. Some days, we are tired, cranky, or hungry and we get into a bad mood – just like our human families.

A lot of mail carriers are being bitten by dogs each year, and I need your help to make sure your mail carrier is safe. The best way to keep your mail carrier safe is to make sure your dog is away from the door when the mail carrier comes to deliver the mail.

If you go outside, make sure your dog doesn't get out. Always close the door behind you when you leave the house. If you are outside with your dog, make sure your dog is away from the mail carrier and on a leash so the mail carrier cannot get hurt. Always be kind to your dog and all dogs.

Take these safety tips home and share them with your family. **Last but not least, as a way to remember this safety talk – say it with me: "When you see your mail carrier every day, make sure your dog is put away."**

Thank you for letting me speak to you today. Have a great and safe rest of the year!

Coloring Page for Students

Postmasters can use the coloring page as a fun, informative way to raise awareness about dog bite safety. Children can bring their artwork home to their parents for discussion. Also, postmasters can collect artwork to display in the lobby or on the workroom floor for carrier encouragement.

Elimination of Corporate Accounts

The Postal Service™ is discontinuing USPSCA®, a corporate account payment method used for Express Mail Corporate Accounts (EMCA) and Priority Mail Express Manifest Accounts. USPSCAs — also known as United States Postal Service Corporate Accounts — are pre-funded by customers to ship documents or packages by Priority Mail Express®.

Effective January 1, 2023, the Postal Service began closing inactive USPSCA accounts and will discontinue the corporate account payment method on July 1 due to rising costs and declining demand.

Customers who use USPSCA are encouraged to switch to an available alternative payment method. Alternative payment methods may include Click-N-Ship® (CNS), USPS Ship, Electronic Verification System (eVS®), ePostage®, PC Postage®, or Meter.

For information on how to migrate, customers should contact their Sales Account/Business Service Network Representative or their local Post Office™, or they can send an email to the Mailing and Shipping Solutions Center at MSSC@usps.gov.

Any account with a positive or negative balance can make payments or request a refund by contacting MSSC@usps.gov:

- Refund requests must include a signed authorization on letterhead, the USPSCA (or EMCA) number, business name, and location.

- Accounts with a negative balance after July 1, 2023, will be sent to Accounts Receivable for collection.

Additionally, some customers shipping packages containing cremated remains or shipping to an Army Post Office/Fleet Post Office/Diplomatic Post Office using a Retail Systems Software (RSS) 4 x 6 label (labels printed at the Post Office counter) were *not processed* by the EMCA system. This resulted in affected customer accounts not being charged.

Customers may continue to use RSS 4 x 6 labels until July 1 and USPS will continue to monitor unprocessed EMCA transactions. Customers will receive a final invoice in July after all USPS Corporate Accounts are permanently closed. We apologize for any inconvenience to our valued USPSCA customers.

As a reminder, all remaining USPSCA accounts will be closed on July 1, 2023.

For questions about the elimination of Corporate Accounts or the cremated remains/U.S. Possessions, Territories, or Freely Associated States (PTFAS) invoicing, send an email to MSSC@usps.gov or call 877-672-0007.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

2023 Sustainability Excellence Award Winners Announced

Five projects have been chosen for the 2023 Sustainability Excellence Awards, which honor exemplary efforts to reduce the Postal Service’s environmental footprint.

One of the five — an initiative to incorporate How2Recycle® labeling ([how2recycle.info](https://www.how2recycle.info)) on Priority Mail® boxes and other USPS® items — received the top honor, the Postmaster General Sustainability Excellence Award.

“The How2Recycle labeling project was another example of our enterprise-wide sustainability efforts,” said Postmaster General Louis DeJoy in announcing the award. “Ensuring we provide our customers with the information necessary to properly recycle products at end of life decreases waste to landfills and reduces our impact on the earth.”

Here are the five winning projects, the USPS executive team member who chose it and a brief description of its results:

- The **postmaster general and chief financial officer awards** went to the Recycling Education Delivered team. USPS joined How2Recycle, a nationwide group that helps companies incorporate standardized, on-package labeling to clearly communicate recycling instructions. The team changed all contractual specifications for applicable envelopes and boxes and obtained proof approvals and labeling formats from Environmental Affairs and Corporate Sustainability to achieve this end.
- The **general counsel award** went to the Law Department team that provided legal support and guidance to stakeholders involved in the procurement of next-generation delivery vehicles. The team also helped ensure that USPS complied with the National Environmental Policy Act.
- The **chief processing and distribution officer award** went to a Lean Mail Processing Auditing project in Southwest Division. The audits pinpointed issues that were addressed by teams in the division’s 23 sites. The result was reduced waste in all its various forms — from time lost looking for misplaced items to recycling errors — and increased employee engagement.
- The **chief logistics officer award** went to the Route Optimization team for its continued success at route consolidation. Using enterprise analytics and a special tool developed for the team, they identified

“opportunity lanes” underused by up to 35 percent where consolidation would not compromise service. A total of 7,556 origin-destination First-Class Mail[®] and First-Class Package Service[®] routes were switched from air to surface transportation, resulting in a financial savings of \$104,932,091, and a reduction of 186,531,407 pounds in carbon dioxide emissions.

- The **chief retail and delivery officer award** honors the GEMBA mobile app project, an initiative that uses smartphone technology to reduce the use of paper

and increase efficiency. The app, which was introduced in fiscal year 2022, has already seen 84,940 entries, saving consumable resources.

The winners were announced May 1. The winners of the Postmaster General Sustainability Excellence Award will be invited to dine with DeJoy.

For more information about the winners, visit the Sustainability Excellence Awards page at blue.usps.gov/sustainability/excellence-awards/welcome.htm.

Information Security

Ongoing Threats: Smishing and Vishing

Smishing and vishing are cybercrimes that mislead people to disclose personal information, such as passwords and credit card numbers.

Smishing uses text messaging while vishing uses voice calls to organize cyberattacks. The attack messages and phone numbers appear to come from a reliable source to gain the victim’s trust and access their personal information.

According to this McAfee Blog ([mcafee.com/blogs/internet-security/what-is-smishing](https://www.mcafee.com/blogs/internet-security/what-is-smishing)), here are some examples of messages hackers could use to try to steal your personal details:

- “We have detected unusual activity on your account. Please call this number to speak to a customer service representative.”
- “You have won a free gift card! Click [here](#) to claim your prize.”
- “Hi! We noticed that you’re a recent customer. To finish setting up your account, please click this [link](#) and enter your personal information.”
- “Urgent! Your bank account has been compromised. Please click this [link](#) to reset your password and prevent any further fraud.”

Avoid smishing and vishing scams and keep the USPS[®] network secure by following these tips:

- **Don’t click:** Do not open any link or attachment from a phone number you do not have saved in your contacts list or from a sender you can’t verify.
- **Filter messages:** Filtering unknown senders will block notifications from unsaved phone numbers, which decreases the likelihood of falling for a smishing scam. To filter unknown numbers, follow these steps:
 - **Apple users:** Go to Settings > Messages and toggle on the “Filter Unknown Senders” option. This will create a new tab in your Messages app called “Unknown Senders.”
 - **Android users:** Go to Settings > Spam Message Settings and select the “Block Unknown Senders” option.

For more information about cyberattacks, visit blue.usps.gov/cyber or liteblue.usps.gov/cyber, as well as the Monthly Awareness Campaigns page at blue.usps.gov/cyber/communications.htm.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
 USPS Stamp Fulfillment Services
 8300 NE Underground Drive, Suite 300
 Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
 USPS Stamp Fulfillment Services
 8300 NE Underground Drive, Suite 300
 Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.
