Cover Story

Beware of Text Message Scams

Phishing is the fraudulent practice of sending emails or other messages claiming to be from trustworthy companies. These messages encourage individuals to disclose personal information, such as passwords and credit card numbers.

Many people don't realize that cybercriminals can also deliver phishing attacks through text messages, which is known as smishing. These types of scams often mimic a government agency, bank, or delivery company to appear legitimate.

Some of the common indicators of a smishing scheme include messaging that creates a sense of urgency with phrases like:

- "Your account has been suspended."
- "There is suspicious activity on your account."
- "There is an error with your shipping address."
- "There is a package waiting for you at the post office."

USPS® does not send unsolicited text messages. If you receive a message from USPS about a package that you did not send, *do not click on the message* as it is likely a smishing scam.

Keep your information secure with these tips:

- **Do not click.** Do not open any link or attachment from a sender you cannot verify.
- **Report the message to your service provider.** Copy the message and forward it to 7726 (SPAM). This will help your wireless provider identify and block similar messages in the future.

Additionally, USPS offers a free service called Informed Delivery®, which is available to anyone with a residential address or PO Box™ in an eligible ZIP Code™. With Informed Delivery, users can get preview images of incoming mail, as well as status updates for incoming and outbound packages. Find out if you are eligible for this service at usps.com/manage/informed-delivery.htm.

- ***To ensure prompt and efficient customs clearance, Posten Bring AS (the designated postal operator of Norway) suggests including the 7-digit VOEK registration number on the customs form preceded with “sender’s customs reference No.” or “VOEK No.” Effective January 1, 2024, Norwegian Customs requires that the VOEK number is electronically transmitted in a digital format. Noncompliance with this requirement may result in delayed delivery and the potential risk of double taxation and administrative fees.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds. Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the*

Thrift Savings Plan for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Food Safety Awareness

September is National Food Safety Education Month. According to the Food and Drug Administration, about 1 in 6 Americans get sick with foodborne illness (or food poisoning) each year.¹

You can get sick from food poisoning after ingesting certain bacteria, like Salmonella. Food poisoning can be mild or serious — symptoms vary depending on what type of bacteria is causing your illness and may last for a few hours or up to several days.

The most common symptoms of food poisoning are diarrhea, stomach pain or cramps, nausea, vomiting, and fever. People 65 and older, children younger than 5, pregnant women, and people with a weakened immune system have a higher risk of getting sick and contracting severe illness from food poisoning.

To prevent food poisoning when eating at restaurants, order food that is properly cooked, avoid lukewarm food, and refrigerate leftovers quickly as harmful bacteria multiply very fast on food.

When preparing food at home, remember to wash your hands, food utensils, and surfaces often. Rinse fresh fruits and vegetables under running water and always separate raw meat and poultry, seafood, and eggs from other foods. Cook food to the minimum safe internal temperature to destroy harmful bacteria. Using a food thermometer is the only way to ensure the safety of meat, poultry, seafood, and eggs.

If you think you have food poisoning, contact your healthcare provider right away. For more information about protecting yourself and your family from foodborne illness, visit [fda.gov](https://www.fda.gov).

Want to Know More About Postal Service Health Benefit Plan Options?

The United States Postal Service® (USPS®) is committed to providing quality healthcare options for pre-career employees. The USPS Health Benefit (HB) Plan is administered by CareFirst BlueCross BlueShield and is available to eligible pre-career employees (see poster on page 40).

When you enroll in the USPS HB Plan, the Postal Service™ provides a contribution each pay period towards your premium to help reduce the cost of your health coverage.

How do you know if you are eligible for the plan? You are eligible if you are a pre-career employee or a casual employee averaging 30 paid hours per week. However, if you are an assistant rural carrier or a holiday-term employee, you are not eligible for the plan.

Eligible employees can enroll in the USPS HB Plan during the annual open season, within 60 days of hire, or if a qualifying life event (QLE) occurs. QLEs include:

- Change in marital status, such as marriage or divorce.

- Birth, adoption, or fostering of a child.
- Death of a spouse or dependent.

To enroll, use PostalEASE® at ewss.usps.gov or call the HR Shared Service Center (HRSSC) at 877-477-3273, option 1. You can also contact HRSSC to check your eligibility and ask other benefits-related questions.

Employees are encouraged to visit CHECKBOOK's Guide to Health Plans for Federal Employees through Lite-Blue® to explore other health insurance options. You can compare plans, costs, coverage, and even member ratings side-by-side to ensure you choose the right plan for your needs.

For more information about enrollment, visit lite-blue.usps.gov/uspsbhp.

Information Security

Insider Risks Could Pose a Threat to USPS

September is National Insider Threat Awareness Month (NITAM). The United States Postal Service® (USPS®) supports NITAM as part of its commitment to protecting the organization's information resources from accidental or intentional unauthorized use, modification, disclosure, or destruction, which is stated in Handbook AS-805, *Information Security*, at blue.usps.gov/cpim/ftp/hand/as805/welcome.htm.

As a reminder, information such as personally identifiable information (PII), sensitive-enhanced information, sensitive information, and proprietary information must never be shared with unauthorized individuals or stored on unapproved devices; it must always be protected.

For instance, if "Jeff" copies, moves, and stores electronic files containing PII to an unapproved, removable media device, he meets the criteria for designation as an insider risk because he failed to protect sensitive information. If he disclosed information for personal gain, "Jeff"

would also be considered an insider threat. Actions would then be taken to counter the threat and implement measures to protect Postal Service™ information from further unauthorized disclosure.

It's important to remember that not all risky activities lead to an actual threat. A pattern of conduct or behavior by an individual may be insignificant on its own, but worth reporting to CISO when observed in combination with other conduct or behaviors.

If you observe a pattern of irregular behavior, send an email to the Insider Risk Program at insider_risk@usps.gov.

If you notice that an individual poses any threat to USPS assets or personnel, contact the United States Postal Inspection Service® directly at 877-876-2455, option 2.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.
