## CyberSafe at USPS — Keep the Network Safe

Cybersecurity Awareness Month (CSAM) began this October, and its importance has grown immensely since it started in 2004.

CSAM, co-led by the Cybersecurity and Infrastructure Security Agency and National Cybersecurity Alliance, is a collaborative effort between government and industry to raise cybersecurity awareness worldwide.

The Corporate Information Security Office (CISO) supports CSAM by helping employees and contractors become more familiar with the Postal Service's efforts to create a culture. We accomplish this by highlighting CyberSafe at USPS® resources with the theme of *Do what it takes — Stay CyberSafe*.

From engaging online activities to informative videos, CyberSafe at USPS is a vital resource in distributing cybersecurity best practices. Here is a list of a few of the exciting programs the CyberSafe page ([blue.usps.gov/cyber](https://blue.usps.gov/cyber)) has to offer:

- **Monthly awareness campaigns** showcase materials — posters, articles, Smart Cybersecurity Moments, talking points, and FAQs — and other resources providing cybersecurity best practices for both work and home.

- **CyberSafe Guardians resource hub** at [link.usps.com/2022/01/14/join-the-team](https://link.usps.com/2022/01/14/join-the-team) is for the volunteers who share cybersecurity awareness best practices with their networks.
- **Virtual awareness activities** provide engaging online activities to test your awareness skills and prepackaged templates that can be adapted for teams to help instill best practices and USPS policy awareness.
- **Incident reporting** promotes the USPS phishing initiative “Report to CyberSafe” and provides steps to take if you think you’ve been a target.
- **Training** provides cybersecurity courses for CISO Academy and CyberSafe.
- **CyberSafe Studio** is a collection of short and entertaining videos that puts cyberthreats into real-life scenarios and shows the impact of making wrong decisions.
- **Posters for the office** is a collection of CyberSafe materials to display in work areas to help spread cybersecurity awareness across USPS.

The CyberSafe team will update the site with additional materials related to CSAM throughout October at [blue.usps.gov/cyber/awareness-fair.htm](https://blue.usps.gov/cyber/awareness-fair.htm).

### ELM Revision: Postal Service Health Benefits Education Program

On March 31, 2024, the Postal Service™ will revise the *Employee and Labor Relations Manual* (ELM), part 520, by adding new section 521.8 to reflect the Postal Service establishing the Postal Service Health Benefits Education Program (PSHBEP), as required under the Postal Service Reform Act of 2022. Although the Postal Service will not publish these revisions in the ELM until March 31, 2024, these regulations are effective immediately.

In implementing the PSHBEP, the Postal Service will notify and provide information to Postal Service annuitants and employees about the Postal Service Health Benefits (PSHB) Program, respond to inquiries from employees and annuitants about PSHB, consult with the Centers for Medicare and Medicaid Services and the U.S. Social Security Administration regarding Medicare enrollment, and conduct navigator activities.

These regulations establish the activities conducted under the PSHBEP. The Postal Service will provide information to employees and annuitants via mailings, seminars, online platforms, text messaging, and other media. Additional information will be sent to employees and annuitants as it becomes available. Employees and annuitants will have access to educational videos on the PSHB Program and Medicare beginning November 2024. Specific plan information will be made available in 2024 before the Open Season period.

For eligible annuitants, a 6-month PSHB Special Enrollment Period (SEP) for Medicare Part B will begin on April 1, 2024, and end on September 20, 2024. The Postal Service will send notifications to eligible annuitants and covered family members regarding the PSHB SEP, including when and how to enroll for Medicare Part B. The notifications will include information on SEP eligibility, when the SEP will take place, and how eligible annuitants and covered family members may enroll in Medicare Part B during the SEP.

Notifications will also include information on how the Postal Service will pay the late-enrollment penalty for eligible annuitants and covered family members who enroll in Medicare Part B during the SEP.

### Hatch Act Refresher

With election season around the corner, USPS® is reminding employees of the do's, don'ts, and not-while-in-uniform rules of the Hatch Act, which limits political activity among the federal workforce.

Postal Service™ employees may engage in the following activities while off duty, not in uniform, not in a Postal Service vehicle, and not on USPS or other federal property:

- Register and vote as they choose;
- Assist in voter registration drives;
- Express opinions about candidates and issues;
- Be a candidate or participate in nonpartisan elections in which no candidate representing a political party is running;
- Contribute money to political campaigns, parties, and partisan political groups; and
- Place signs on their personal property, though the signs cannot be in view while videoconferencing for work.

Postal Service employees may never:

- Engage in fundraising — soliciting, collecting, or receiving funds — for a partisan political party, candidate for partisan political office, or partisan political group;
- Host, sell tickets, or invite anyone to a political fundraiser;

- Use their title or position or wear their uniform or any item identifying USPS or their position while engaged in political activity;
- Invite subordinate employees to political events or encourage their involvement in political activity; or
- Be a candidate in a partisan election (where any candidates are running in affiliation with a political party).

While on duty, in uniform, in a postal vehicle, or on postal or other federal property, USPS employees may not:

- Distribute, share, or post political or campaign materials;
- Wear partisan political buttons, shirts, hats, and the like;
- Post, like, tweet, or retweet partisan political content;
- Place a partisan political bumper sticker on a vehicle delivering mail; or
- Express opinions at work that are directed at the success or failure of a political party, candidate for partisan political office, or partisan political group.

For more information about what federal employees can and cannot do under the Hatch Act, visit the U.S. Office of Special Counsel page at [osc.gov/Services/Pages/HatchAct.aspx](https://osc.gov/Services/Pages/HatchAct.aspx).

For guidance, employees can also send an email to the USPS Ethics Office at [ethics.help@usps.gov](mailto:ethics.help@usps.gov).

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at [usps.com/shop/money-orders.htm](https://usps.com/shop/money-orders.htm).

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

### Breast Cancer Awareness Month

October is Breast Cancer Awareness Month<sup>1</sup>. Breast cancer is a disease in which there is uncontrollable cell growth in the breast. The kind of breast cancer depends on which cells in the breast turn into cancer. While breast cancer is most often found in women, men can get breast cancer, too. About 1 out of every 100 breast cancer patients diagnosed in the United States is a man.

There are many symptoms of breast cancer. Some people have varied symptoms and some people do not have any symptoms at all. Some warning signs of breast cancer are:

- A new lump in the breast or underarm.
- Thickening or swelling of part of the breast.
- Irritation or dimpling of breast skin.
- Redness or flaky skin in the nipple area or the breast.
- Pulling in of the nipple or pain in the nipple.
- Nipple discharge other than breast milk, including blood.

- Any change in the size or the shape of the breast.
- Pain in any area of the breast.

Many factors over the course of a lifetime can influence your breast cancer risk. Some risk factors, such as getting older or your family history, you cannot change. However, you can help lower your risk of breast cancer by:

- Keeping a healthy weight.
- Being physically active.
- Drinking alcohol in moderation.
- Breastfeeding your children, if possible.
- If you have a family history of breast cancer, talk to your doctor about other ways to lower your risk.

Staying healthy throughout your life will lower your risk of developing breast cancer and improve your chances of surviving breast cancer if it occurs.

You can find out more information about breast cancer on the CDC website at [cdc.gov/cancer/breast/basic\\_info](https://www.cdc.gov/cancer/breast/basic_info).

## Information Security

### Watch Out for Phishing

Firewalls, encryption, and intrusion detection systems are all ways that USPS® protects the network and information vital to delivering 43 percent of the world's mail. However, despite all the cutting-edge defensive technology, it still isn't the best way to protect the organization from a phishing attack.

USPS employees and contractors are the best defense against a phishing attack. Since the average office employee receives a daily volume of almost 100 emails, knowing how to identify a phishing email is important.

Use these tips to help protect the USPS network:

- **Slow down.** Pause and evaluate messages before acting. Be wary of "urgent" requests.
- **Verify sender.** If the email is from an "[EXTERNAL]" address, proceed with caution.

- **Hover, don't click.** Ensure all hyperlinked descriptions match their destination by hovering your mouse over the link.
- **Beware of attachments.** Don't open or click on anything attached to a suspicious email.
- **Spell check.** Spelling and grammar mistakes can indicate a phishing attempt.

If you think you've received a suspicious email, report it. Select the suspicious email in your inbox — multiple messages can be selected, if needed — and click the "Report to CyberSafe" button in the Outlook toolbar. If the email is already open, the button will appear in the email toolbar as well.

If you do not see the "Report to CyberSafe" button on your Outlook toolbar, install the add-on at [usps.servicenow-services.com/kb\\_view.do?sysparm\\_article=KB0046151](https://usps.servicenow-services.com/kb_view.do?sysparm_article=KB0046151).

## Breast Cancer can happen to anyone.

- About 1 out of every 100 breast cancers diagnosed in the United States is found in a man.
- Approximately 250,000 women are diagnosed with cancer each year in the United States.
- Getting a mammogram is the best way to detect breast cancer.

Some people have no symptoms of breast cancer while others experience the following signs:

- New lump in the breast or underarm.
- Irritation or dimpling of breast skin.
- Nipple discharge other than breast milk.
- Any change in the size or the shape of the breast.
- Pain in any area of the breast.

If you have any symptoms that concern you, consult your health care provider right away.

Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

### How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at [usps.com/shop](https://usps.com/shop).

#### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

#### Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.

## Transportation Strategy

### Use the Preferred Fueling Network to Buy the Lowest Cost Fuel

Since fuel consumption is a major concern for the Postal Service™, delivery drivers must purchase regular unleaded and low-grade diesel fuel through the Postal Service's Preferred Fueling Network (PFN). This will help our organization reduce the overall fleet spend.

The Postal Service routinely updates its PFN agreements, so participating locations may change. Currently, the PFN includes 33 brands with over 20,000 locations that provide discounts for the Postal Service fleet:

- 7-Eleven.
- Casey's.
- Circle K.
- Cumberland Farms and EG Group.

- Holiday Station stores.
- Lukoil.
- Mac's Convenience stores.
- Ramos Oil (California).
- Sheetz.
- Wawa.

PFN brand locations are listed in the Freedom of Information Act Library. For more information, visit [about.usps.com/who/legal/foia/library.htm](https://about.usps.com/who/legal/foia/library.htm) and click one of the links for "Preferred Fuel Network (PFN) Locations" under Transportation Strategy.

For inquiries about the PFN or local fuel retailers, send an email to [USPSPreferredFuelingNetwork@usps.gov](mailto:USPSPreferredFuelingNetwork@usps.gov).
