## Prepare for Rising Temperatures to Help Prevent Heat Illnesses

The United States Postal Service® (USPS®) Heat Illness Prevention Program (HIPP) is designed to protect employees from heat illnesses by educating them on how to stay safe during hot weather. HIPP is triggered during the period of April 1 through October 31, and when weather reports issued by the National Weather Service (NWS) for a particular work location indicate that outdoor heat index temperatures are expected to exceed 80 degrees Fahrenheit during the course of a workday or work shift. Get NWS weather reports at [weather.gov](http://weather.gov).

Rising heat index temperatures can put a person at risk for heat illnesses. When the body is unable to cool itself by sweating, heat illnesses such as heat stress, heat cramps, heat exhaustion, and heat stroke may occur. Symptoms range from mild and easily correctable to severe and potentially life-threatening.

High temperatures and humidity, direct sun or heat, limited air movement, physical exertion, poor physical condition, and some medicines are also contributing factors to heat illnesses.

Heat-related deaths are preventable by recognizing the symptoms and knowing what to do. Watch out for the following signs:

- Hot, dry skin or profuse sweating;
- Headaches;
- Confusion or dizziness;
- Nausea or vomiting;
- Rapid pulse;
- Muscle cramps;
- Weakness or fatigue; and
- Rashes.

If an employee experiences signs of heat-related illness, they must seek immediate medical assistance by calling 9-1-1.

Here are some proactive tips to help beat the heat:

- **Hydrate before, during, and after work.** Prevention is important — drink at least 8 ounces of water every 20 minutes.

- **Dress appropriately for the weather.** On warm days, wear light-colored, loose-fitting, and breathable clothing to keep your body temperature down.
- **Use the shade to stay cool.** When possible, use shaded areas to stay out of direct sunlight.

## IMM Revision: Classifications of General Applicability for International Competitive Services

Effective July 14, 2024, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, International Mail Manual (IMM)*® to reflect the classification revisions to International Competitive Services as established by the Governors of the Postal Service and as noted in this article. Also, effective July 14, 2024, the Postal Service will make similar revisions to Notice 123, *Price List*, available on Postal Explorer® at [pe.usps.com](https://pe.usps.com).

In Order No. 7150 issued on May 29, 2024, in Postal Regulatory Commission (PRC) Docket No. MC2024-224, the PRC concluded that the changes concerning the size limitations for international letter-post rolls in the Postal Service's notice may go into effect on July 14, 2024. The order is available on the PRC website at [prc.gov](https://prc.gov).

These revisions implement changes in the minimum dimensions for First-Class Package International Service (FCPIS®) letter-post rolls to align them with standards established by the Universal Postal Union (UPU) Convention Regulations, which serves as applicable authority in this instance, as adopted at a meeting of the UPU Postal Operations Council in May 2023.

To align with UPU regulations, the Postal Service is increasing the FCPIS requirement for two dimensions of rolls as follows:

- It is increasing the minimum length from 4 inches to 8.25 inches.
- It is increasing the minimum length plus twice the diameter combined from 6-3/4 inches to 12 inches.

International Priority Airmail (IPA®) service and International Surface Airlift (ISAL®) service packets are also affected by this change since their dimensional requirements are identical to those for FCPIS.

In addition, in Order No. 7175 issued on June 6, 2024, in PRC Docket No. CP2024-230, the PRC concluded that the changes involving the elimination of the competitive international electronic money transfer service known as Sure Money® (DineroSeguro®) in the Postal Service's notice may go into effect on July 14, 2024. The order is available on the PRC website at [prc.gov](https://prc.gov).

Therefore, the Postal Service is eliminating the competitive international electronic money transfer service known as Sure Money (DineroSeguro).

As noted in the article titled “Known Mailer and Exceptions” published on June 18, 2024, in the notice of final rulemaking in the *Federal Register* (89 FR 51446), these revisions align with current customs policies.

Corresponding changes to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) are provided in the article titled “DMM Revision: Customs Declaration Exceptions” on page 6.

## Environmental Management

### Vehicle Washing: USPS Stormwater Environmental Compliance Reminder

The United States Postal Service® (USPS®) has established a “Zero Discharge” policy for stormwater to reduce pollution from stormwater and snowmelt, which can release hazardous chemicals and pollutants into the environment; causing harm to rivers, streams, lakes, and coastal waters. Under the policy, employees and suppliers must take specific actions to minimize pollution to protect water quality.

#### Vehicle Washing Requirements

USPS employees and USPS third-party contractors must follow the “Zero Discharge” policy for stormwater.

- Do **NOT** allow vehicle/equipment washing wash water or pollutants (i.e., oil and grease, metals, acids/bases, and other chemicals) to enter stormwater systems (i.e., storm drains, outdoor drains, or other conveyances).
- Do **NOT** wash vehicles outdoors in an uncovered area when it is raining.
- Wash only official vehicles on USPS property using one of the following acceptable methods:
  - Wet wash in interior bays (when washing is performed by USPS employees).
  - Wet wash with water recovery in exterior lots (when washing is performed by third-party contractors).
- Dry wash or dry vapor steam cleaning in exterior lots (when washing is performed by third-party contractors, may be performed by USPS employees).
- Use only vehicle wash products that do NOT contain any USPS Targeted Chemicals or exhibit hazardous waste characteristics.
- Establish vehicle washing contracts through the Vehicles Category Management Center (CMC) using the nationally approved statement of work for vehicle washing and monitor vehicle washing contracts and activities for compliance.

To establish a vehicle washing contract for your location, contact Kelly O'Connor by email at [kelly.c.o'connor@usps.gov](mailto:kelly.c.o'connor@usps.gov). For more information, consult your designated Environmental Specialist at ([blue.usps.gov/sustainability/regional-environmental-compliance-all.htm](http://blue.usps.gov/sustainability/regional-environmental-compliance-all.htm)) or review the following:

## Integrated Pest Management: Pesticide Management, Storage, and Disposal

The Postal Service™ uses integrated pest management (IPM) practices and techniques to control pests. IPM includes using safer, more environmentally sound pest procedures, without eliminating the use of pesticides entirely.

**Pesticide Management:** Pesticides include insecticides, herbicides, fungicides, and rodenticides, which are all regulated due to the chemicals they contain that can be dangerous to human health, the environment, and water quality. USPS® currently has national IPM contracts in place through the Facility Services CMC, which is the mandatory method for pest management services at all Postal Service sites.

USPS employees must use the following guidance when considering pesticide treatments:

- Use chemical pesticides only as a last resort, using a USPS IPM national contractor for chemical pesticide application. Only contracted, licensed pesticide applicators are allowed to apply chemical pesticides.
- If necessary for minor spot treatments, purchase and apply non-concentrated or pre-mixed pesticides that are suitable for household use. Apply with precision and restraint.
- Never purchase or apply restricted-use pesticides or concentrated pesticides that require mixing. USPS personnel are prohibited from applying restricted-use pesticides and from mixing or using concentrated pesticides. Check the label to determine whether a product is or contains a restricted-use pesticide.
- Do not apply pesticides (or any chemicals) to storm-water retention or detention basins or ponds and exercise caution when applying pesticides around these areas.

### Pesticide Storage and Disposal:

- Maintain only limited quantities of pest control products. Do not stockpile.
- Store pesticides in their original containers, keeping pesticide containers closed, and follow storage instructions on the label. If possible, keep all pesticides in a locked cabinet in a well-ventilated utility area.
- Never store pesticides in cabinets with or near food or medical supplies. Do not store pesticides in places where they might spill or leak into wells, drains, groundwater, or surface water.
- Contractors that apply pesticides must remove all their devices and excess products after completion. If USPS-purchased pesticides cannot be properly used, contact the vendor to inquire if the manufacturer will take back the unused product.
- Do not pour leftover pesticides down the sink, into the toilet, or down a sewer or street drain. Arrange for off-site disposal using the USPS National Hazardous Waste Management Service Contractor available on eBuyPlus. Maintain shipment and disposal records on site.
- Do not reuse empty pesticide containers. If containers are empty (i.e., all the liquid product has been removed and used), place the container in the trash, unless the label specifies a different disposal procedure.

For more information, consult your designated USPS environmental specialist at [blue.usps.gov/sustainability/regional-environmental-compliance-all.htm](https://blue.usps.gov/sustainability/regional-environmental-compliance-all.htm) or review the following guidance document:

- Integrated Pest Management Environmental Compliance Bulletin at [blue.usps.gov/sustainability/environmental/\\_pdf/waste/ecb-pestmanagement.pdf](https://blue.usps.gov/sustainability/environmental/_pdf/waste/ecb-pestmanagement.pdf).

## Information Security

### USPS Employees Have Until July 18 to Take Cybersecurity Course

Threats to digital information are growing in frequency and sophistication worldwide. Protecting USPS® employees, customers, and supplier data from these threats is a priority for the Postal Service™. Everyone has a role to play in protecting this data.

USPS non-bargaining employees must complete a cybersecurity training course by Thursday, July 18.

Employees who miss the deadline will have limited ACE system access until the course is completed.

The course — FY24 Cybersafe Fundamentals for Non-Bargaining Employees — provides:

- Fundamental skills and knowledge needed to adhere to cybersecurity policies and that protect USPS electronic information.

- Best practices for handling sensitive and sensitive-enhanced information to keep USPS electronic data secure.

Employees can access the course through HERO on the MyHR website ([https://usps.csod.com/LMS/catalog/Welcome.aspx?tab\\_page\\_id=-67&tab\\_id=-1](https://usps.csod.com/LMS/catalog/Welcome.aspx?tab_page_id=-67&tab_id=-1)).

For more information, visit <https://blue.usps.gov/cyber>; or email [cybersafecomms@usps.gov](mailto:cybersafecomms@usps.gov).

### Keep Your Mobile Phone and Electronic Devices Safe

USPS® wants to provide employees and contractors with tips to protect their USPS-issued mobile devices against hackers.

These devices — which include smart phones, laptops, and tablets — offer flexibility, improve communications and collaboration, and help increase productivity at USPS.

However, if they are not secured, these devices become susceptible to threats such as malware ([blue.usps.gov/cyber/malware](https://blue.usps.gov/cyber/malware)), which could disrupt mail processes, cause data loss, and damage the reputation of stakeholders and the Postal Service™ brand.

The CyberSafe at USPS® team recommends taking the following actions to protect your USPS-issued mobile device from cyberattacks:

- Use strong passphrases with a minimum of eight characters.
- Keep up with all required software updates.

- Don't click on any suspicious links.
- Always use a virtual private network, or VPN, to connect to the internet.
- Avoid using public Wi-Fi to access the Internet, including hotel and airline inflight Wi-Fi.
- Avoid clicking on text messages with URLs from numbers not on your contacts list.
- Back up data stored on mobile devices.

For USPS policy about mobile device security, refer to Handbook AS-805 Use of Information Security ([blue.usps.gov/cpim/ftp/hand/as805c/as508c\\_v11\\_508\\_014.htm](https://blue.usps.gov/cpim/ftp/hand/as805c/as508c_v11_508_014.htm)).

For more information, visit USPS Blue ([blue.usps.gov/cyber](https://blue.usps.gov/cyber)); or LiteBlue ([liteblue.usps.gov/cyber](https://liteblue.usps.gov/cyber)). For the Monthly Awareness Campaigns, visit [blue.usps.gov/cyber/communications.htm](https://blue.usps.gov/cyber/communications.htm).

## Safety

### Don't Mail Mercury

The Postal Service™ is reminding customers and employees that metallic mercury (also known as elemental mercury) and devices containing metallic mercury are prohibited in the mail stream. This includes antique items such as thermometers, barometers, and blood pressure monitors and similar devices. Due to the nature of mercury and its capacity to induce toxic reactions when inhaled or exposed to the skin, mercury represents a tremendous safety risk to our employees and customers.

When mercury spills it breaks into droplets and the droplets spread and build up in tiny cracks and spaces. Mercury can be absorbed or be drawn into carpet, furniture, floors, or walls, and can be tracked throughout buildings and vehicles if not cleaned up right away. When spilled, Mercury can vaporize (evaporate) into the air and get into the ventilation system ultimately spreading throughout buildings and vehicles. The vapor is very dangerous because it cannot be seen or smelled. If the spill occurs in a hot location (vehicle cargo area), it will vaporize more quickly and can be more dangerous.

Short-term exposure to high levels of mercury vapors include:

- Headache.
- Cough, sore throat.
- Eye irritation.
- Changes in vision.
- Chest pain.
- Increase in blood pressure or heart rate.

- Nausea, vomiting, or diarrhea.

Health effects caused by long-term exposure to mercury vapors include:

- Anxiety.
- Tremors.
- Forgetfulness.
- Changes in hearing.
- Excessive shyness.
- Anorexia.
- Irritability.
- Sleeping issues.
- Loss of appetite.
- Changes in vision.

It is for these reasons that elemental mercury is prohibited from the mail (Reference Publication 52, *Hazardous, Restricted, and Perishable Mail*, section 348.21 and appendix A.)

Mercury in manufactured articles, identified as UN3506, such as compact fluorescent lamps and similar consumer devices containing minute amounts of mercury, are mailable domestically but not internationally (including APO, FPO, and DPO destinations). Each device, article, or apparatus must contain 100 milligrams (mg) (0.0035 ounce) or less of mercury (less than a grain of salt) and each mailpiece must contain no more than 1 gram (g) (0.035 ounce) of mercury. Mercury in devices categorized under UN3506 typically exists in a vaporized state — no metallic mercury will be visible in UN3506 devices.

### Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at [usps.com/shop/money-orders.htm](https://usps.com/shop/money-orders.htm).

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

## Stamp Services

### Stamp Announcement 24-32: Pinback Buttons Stamps

© 2023 USPS

On August 15, 2024, in Hartford, CT, the United States Postal Service® will issue the *Pinback Buttons* stamps (Forever® priced at the First-Class Mail® rate), in 10 designs, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 485500). These stamps will go on sale nationwide August 15, 2024, and must not be sold or canceled before the first-day-of-issue. **The *Pinback Buttons* commemorative pane of 20 stamps must not be split and the stamps must not be sold individually.**

*Pinback Buttons* is a pane of 20 stamps featuring 10 typographic designs by various artists in their unique styles. Each design showcases a single word: smile (Don Clark), hello! (Tré Seals), peace (Jay Fletcher), love (Juan Carlos Pagan), fun (Gia Graham), sweet (Jeff Rogers), yes! (Ryan Feerer), cheers! (Lisa Congdon), kudos! (DKNG Studios), and happy (Gina Triplet). The round shape of the stamps as well as shadowing and reflection effects give the appearance of three-dimensional pinback buttons. The pane verso features an illustration of a round silver button back with pin fastener repeated 20 times, one for each pinback button shown on the front of the pane. Art director Greg Breeding designed the stamps.

## Stamp Announcement 24-33: Autumn Colors Stamps

© 2023 USPS

On August 16, 2024, in Hartford, CT, the United States Postal Service® will issue the *Autumn Colors* stamps (Forever® priced at the First-Class Mail® rate), in 10 designs, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 485600). These stamps will go on sale nationwide August 16, 2024, and must not be sold or canceled before the first-day-of-issue. **The *Autumn Colors* commemorative pane of 20 stamps must not be split and the stamps must not be sold individually.**

*Autumn Colors* celebrates the radiant beauty of fall with 10 new stamps in a pane of 20, featuring images from a variety of locations around the U.S. taken by renowned nature and garden photographer Allen Rokach (1941–2021). Rokach often used what he called the “Rokach

effect,” a technique that gives photos an impressionistic cast. Art director Ethel Kessler designed the stamps.

### Availability to Post Offices: Item 485600, Autumn Colors (Forever Priced at the First-Class Mail Rate) Pane of 20 Stamps

### Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office® station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office®, by phone at 844-737-7826, or on The Postal Store® website at [usps.com/shop](https://usps.com/shop).

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

### Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300  
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.
