Cover Story

Driving Efficiencies: Small Actions, Big Impact

October heralds the arrival of Energy Action Month, a time when the United States Postal Service® (USPS®) communicates our focus on energy efficiency and sustainable actions. Rooted in our commitment to a sustainable future, Energy Action Month is an invitation for both organizational and individual contributions to energy efficiency. Drawing from a legacy of environmental stewardship, USPS underscores the importance of energy-saving behaviors and innovations in achieving a greener tomorrow.

Organizational Energy and Cost Saving Behaviors

The Postal Service™ dedication to sustainability is embodied in strategic initiatives and daily practices designed to minimize our environmental footprint. Through route optimization and ensuring trucks are fully loaded, USPS significantly reduces emissions in its transportation network. These strategies have resulted in notable decreases in Scope 3 emissions: an approximately 11 percent reduction in contract road transport and a reduction in contract air transport of about 9 percent. By decreasing unnecessary trips and transitioning volume from air to ground, USPS not only cuts fuel consumption but also enhances operational efficiency. Further energy and cost-saving actions includes the following:

- **Installing High-Efficiency Lighting:** Upgrading to energy-efficient lighting in our facilities to significantly reduce electricity use.
- **Upgrading HVAC Systems:** Replacing old HVAC systems with newer, more efficient systems to reduce energy for heating and cooling.
- **Daily Energy Conservation Practices:** Simple yet impactful practices like turning off lights and equipment when not in use.

These actions not only enhance operational efficiency but also drive substantial cost savings. For example, at four of our Rhode Island post offices, upgrading to LED lighting has resulted in a 25 percent average cost decrease and a 34 percent average utility consumption decrease. The result is not only a reduced environmental footprint and cost savings but also a resilient postal system.

Individual Energy Saving Actions

While large-scale organizational strategies are vital, the collective action of individuals can create a significant ripple effect.

The following are five simple yet powerful energy-saving actions that USPS employees can take at work and at home:

1. **Use Public Transit or Cycle:** Reduce reliance on personal vehicles by walking, biking, or using public transportation whenever possible.
2. **Unplug Equipment:** Unplug small electronics, chargers, and other devices when not in use to avoid phantom energy consumption.
3. **Optimize Thermostat Settings:** Maintain building temperatures at 78 degrees in the summer and 65 degrees in the winter to save on cooling and heating costs.
4. **Report Maintenance Issues:** Notify maintenance staff of leaks, standing water, running water, or lights that stay on during daylight hours to prevent energy waste.
5. **Conduct an Energy Audit:** Schedule a professional energy audit to identify and implement energy-saving measures.

Commitment to a Sustainable Future

Every action, no matter how small, contributes to a larger vision of sustainability. By integrating energy-efficient products and adjusting daily habits, we can collectively drive change. USPS remains steadfast in its mission to lead by example, inviting each employee to participate actively in our journey towards a sustainable tomorrow.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

- Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal money orders.
- Check that the proper security features are present:
 - For the legacy, green Postal Service money orders:
 - Green coloring at the top and bottom.
 - A U.S. Mail eagle logo in the center.
 - A left-side watermark of Benjamin Franklin repeating top to bottom that is only visible when held up to a light source.
 - On the right of the Benjamin Franklin watermark, a vertical, multicolored security thread with the letters “USPS®” weaves in and out of the paper.
 - Discoloration around the dollar amounts might indicate the amounts were changed.
 - For the new red and blue Postal Service money orders:
 - Red and blue ink with subtle design features of an eagle head and an American flag.
 - Two watermarks that are only visible when held up to a light source:
 - A watermark of a Pony Express® rider.
 - A watermark that reads “United States Postal Service” in a rectangular box.

- A security thread that runs from the top to the bottom of the Postal Service money order, just to the right of the Pony Express rider watermark. When held to the light, the thread reveals the letters “USPS” alternating right side up and upside down throughout the thread.
- A Quick Response (QR) code that directs users to the USPS website to verify the status of money orders using three pieces of information.
- Discoloration around the dollar amounts might indicate the amounts were changed.

These features also appear at usps.com/shop/money-orders.htm.

If you or a customer suspects fraud, follow the guidance from the U.S. Postal Inspection Service:

- If you question the validity of a Postal Money Order, use the Money Order Verification System at 1-866-459-7822.
- You can also check the money order status at usps.com/shop/money-orders.htm. Go to “Check Money Order Status” and input the information.
- If you suspect fraud or criminal activity, call the Inspection Service at 1-877-876-2455 at your earliest convenience.

The legacy, green Postal Service money order will stay in circulation until all existing stock is depleted. As of October 1, 2024, USPS no longer sells international money orders. USPS will no longer cash international money orders after September 30, 2025.

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

Thyroid Health

Hyperthyroidism, or overactive thyroid, happens when your thyroid gland makes more thyroid hormones than your body needs.

Hyperthyroidism has several causes. They include the following:

- Graves' disease, an autoimmune disorder in which your immune system attacks your thyroid.
- Thyroid nodules, which are growths on your thyroid.
- Thyroiditis, inflammation of the thyroid.
- Too much iodine. Iodine is found in some medicines, cough syrup, seaweed, and seaweed-based supplements.

The symptoms of hyperthyroidism can vary from person to person and may include the following:

- Nervousness or irritability.
- Fatigue and trouble sleeping.
- Muscle weakness and weight loss.
- Trouble tolerating heat.
- Tremor, usually in your hands.
- Rapid and irregular heartbeat.
- Mood swings.
- Goiter, an enlarged thyroid that may cause your neck to look swollen.

If you have symptoms of hyperthyroidism, it's important to talk to your health care provider about which foods, supplements, and medicines you need to avoid.

For more information about hyperthyroidism go to: medlineplus.gov/hyperthyroidism.html.

The USPS Employee Assistance Program Offers a Reminder About its Services

September is National Suicide Prevention Month, and the USPS® Employee Assistance Program is using this time to remind employees and their loved ones about the support it offers.

The program, also known as EAP, uses the month to increase awareness of the warning signs and risk factors associated with suicide, promoting early intervention and reducing the stigma around mental health challenges.

The campaign seeks to create an environment where those who are struggling feel less alone and more apt to seek help. Open conversations are encouraged, and guidance will be shared on recognizing when someone may be in crisis and how to offer meaningful support.

Campaign materials are available for download throughout September on the monthly focus page and year-round on the suicide prevention page of the EAP website.

For additional information and support, contact 800-327-4968 (800-EAP-4YOU) or by TTY at 877-492-7341.

THYROID AWARENESS

Thyroid disease is a group of disorders that affects the thyroid gland.

The thyroid is a small, butterfly-shaped gland in the front of your neck. Thyroid hormones control how your body uses energy, so they affect the way nearly every organ in your body works, even the way your heart beats.

Hyperthyroidism:

- The thyroid gland makes more thyroid hormones than your body needs.
- About 1 out of 100 Americans ages 12 years and older have hyperthyroidism.

Symptoms:

- Weight loss despite an increased appetite.
- Rapid or irregular heartbeat
- Nervousness, irritability, trouble sleeping, and fatigue.
- Shaky hands, and muscle weakness.
- Sweating or trouble tolerating heat.
- Frequent bowel movements.
- An enlargement in the neck, called a goiter.

Hypothyroidism:

- The thyroid gland doesn't make enough thyroid hormones to meet your body's needs.
- Nearly 5 out of 100 Americans ages 12 years and older have hypothyroidism, although most cases are mild or have few obvious symptoms.

Symptoms:

- Fatigue.
- Weight gain.
- Trouble tolerating cold.
- Joint and muscle pain.
- Dry skin or dry, thinning hair.
- Heavy or irregular menstrual periods or fertility problems.
- Slowed heart rate.
- Depression.

Customers who want a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge

8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items.
