America Recycles: Postal Service Raises Awareness of National Recycling Efforts

The Postal Service™ will observe *America Recycles Day* on November 15, 2025. It is dedicated to raising awareness about the importance of conservation and recycling.

The organization launched its National Recycling Operation (see *blue.usps.gov/sustainability/national-recycling-operation.htm*), or NRO, in 2013, to streamline postal recycling efforts nationwide.

The NRO established hubs to handle backhaul recycling, which takes advantage of existing transport equipment to bring recyclables from delivery and retail units to the hub. Recycling Standard Work Instructions are communicated and available to employees (see *usps365.sharepoint.com/sites/RecyclingSWIs*).

"America Recycles Day presents an annual reminder of the important role we play as employees of the United States Postal Service® and stewards of our environment," said Jennifer Beiro-Réveillé, the organization's chief sustainability officer. "Each action you take today — and every day — highlights the opportunity we can all take to collectively address the challenges facing our nation's waste management."

For more information about USPS® recycling efforts, go to *Blue* at *blue.usps.gov/sustainability/national-recycling-operation.htm*.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal money orders.

2. Check that the proper security features are present:

   - For the legacy, green Postal Service money orders:

     a. Green coloring at the top and bottom.

     b. A U.S. Mail eagle logo in the center.

     c. A left-side watermark of Benjamin Franklin repeating top to bottom that is only visible when held up to a light source.

     d. On the right of the Benjamin Franklin watermark, a vertical, multicolored security thread with the letters "USPS®" weaves in and out of the paper.

     e. Discoloration around the dollar amounts might indicate the amounts were changed.

   - For the new red and blue Postal Service money orders:

     a. Red and blue ink with subtle design features of an eagle head and an American flag.

     b. Two watermarks that are only visible when held up to a light source:

        1. A watermark of a Pony Express® rider.

        2. A watermark that reads "United States Postal Service" in a rectangular box.

   c. A security thread that runs from the top to the bottom of the Postal Service money order, just to the right of the Pony Express rider watermark. When held to the light, the thread reveals the letters "USPS" alternating right side up and upside down throughout the thread.

   d. A Quick Response (QR) code that directs users to the USPS website to verify the status of money orders using three pieces of information.

   e. Discoloration around the dollar amounts might indicate the amounts were changed.

These features also appear at *usps.com/shop/money-orders.htm*.

If you or a customer suspects fraud, follow the guidance from the U.S. Postal Inspection Service:

- If you question the validity of a Postal Money Order, use the Money Order Verification System at 1-866-459-7822.

- You can also check the money order status at *usps.com/shop/money-orders.htm*. Go to "Check Money Order Status" and input the information.

- If you suspect fraud or criminal activity, call the Inspection Service at 1-877-876-2455 at your earliest convenience.

The legacy, green Postal Service money order will stay in circulation until all existing stock is depleted. As of October 1, 2024, USPS no longer sells international money orders. USPS will no longer cash international money orders after September 30, 2025.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under "Changes" appear in bold in the following APO/FPO/DPO table:

Lung Cancer Awareness

There are varying symptoms of lung cancer, not all symptoms relating to the lungs. If lung cancer has spread to various parts of the body (metastasized), there are symptoms specific to that part of the body. Other symptoms are generalized and include not feeling well, but most people with lung cancer don't have symptoms until the cancer is advanced.

Lung cancer symptoms may include the following:

- Coughing that gets worse or doesn't go away.
- Chest pain.
- Shortness of breath.
- Wheezing.
- Coughing up blood.
- Feeling very tired all the time.
- Weight loss with no known cause.

Other changes that can sometimes occur with lung cancer may include repeated bouts of pneumonia and swollen or enlarged lymph nodes (glands) inside the chest area between the lungs.

These signs and symptoms can happen with other illnesses, too. If you have any signs and symptoms, talk to your doctor, who can help find the cause.

For more information about lung cancer, go to *https://www.cdc.gov/lung-cancer/symptoms/index.html*.

Information Security

Secure Your Internet of Things Devices

Postal Service® employees and contractors use Internet of Things (IoT) technology both at home and in their workplace.

Through the designation of unique IP addresses, smart devices join the Internet of Things (IoT) network, with these numeric identifiers showing their online location. This connectivity includes a wide range of smart devices including Wi-Fi enabled appliances, smart TVs, smartwatches, fitness trackers, medical monitors, and more.

IoT tools are efficient, however they can present cybersecurity risks. For example, hackers have been known to hack into home security systems, allowing them to take control of accounts, steal personally-identifiable information, watch at-home security videos, and even listen in on conversations.

In other instances, hacking Wi-Fi-enabled printers has allowed hackers to look at the printer's memory and access sensitive documents.

USPS® employees and contractors are encouraged to take the following protocols to safeguard their smart devices:

- **Update.** Stay up-to-date on all software updates and security patches.
- **Disable.** If a device can operate without the internet, disable the online connection.
- **Protect.** Change the default passwords or personally identifiable numbers (PINs) to unique passphrases and unique PINs.
- **Secure.** Keep your home devices secure by using a router to connect to the network.

As a reminder, never plug in your personal smart device such as phones, tablets, or other home devices into USPS equipment as it could put the network in danger.

For more information, go to The CyberSafe at USPS® Blue page at *bluet.usps.gov/cyber/comms-2024-archive.htm#accordion1s5*.

Periodic Reviews For Managers and FSCs — Due By November 19, 2025

The Postal Service™ requires all managers and functional systems coordinators (FSCs) to periodically review employees' and contractors' access to USPS® applications and systems.

These reviews play a vital role in confirming that only authorized individuals maintain access to USPS resources, reducing the risk of unauthorized use or data exposure.

If reviews are not completed on time, affected users will lose access to the resources included in their review, which could impact productivity.

By Wednesday, November 19, 2025, at 11:59 p.m. Central Time:

- Managers must complete their review of contractors under their supervision in both *eAccess* and *ARIS*.
- FSCs must complete their review in eAccess and ARIS for all users of applications under their purview.

Managers and FSCs will receive emails with step-by-step instructions on how to complete these reviews. The *USPS ServiceNow* website also provides guidance — search for "periodic review."

Periodic reviews are mandatory under the Sarbanes-Oxley Act controls requirements and are outlined in Handbook AS-805, *Information Security*, section 9-3.2.5.

Inspection Service

Cut Out Crime: The 2025 U.S. Postal Inspection Service Holiday Campaign
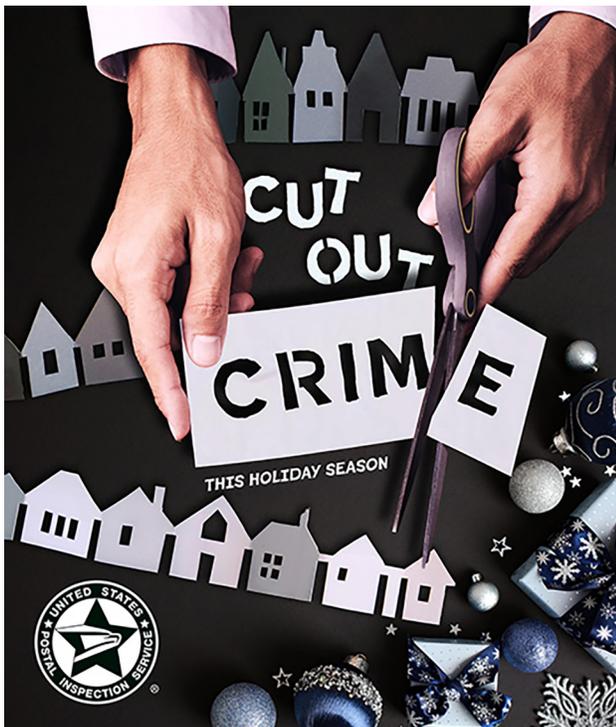

The winter holidays are a time for everything nice. But criminals and their scams can cost you a hefty price. These Scrooges target consumers, along with Postal Service™ employees and contractors, with the following schemes:

- Phishing scams,
- Smishing scams,
- Brushing scams, and
- Quishing scams.

And they can't wait to take advantage of the giving spirit by stealing mail and packages.

To help keep everyone safe from these scams, the U.S. Postal Inspection Service® "Cut Out Crime" 2025 holiday campaign will provide safety tips on the USPS® and Inspection Service websites, *Blue* and *LiteBlue*, and the Inspection Service social media pages.

Please help the Postal Inspection Service cut out crime and keep this special season merry and bright. Stay informed, and follow these tips to keep purchases and personal information safe.

Phishing and Smishing Scams

Phishing and smishing schemes are cyber-attacks that steal personally identifiable information (PII), like credit card or Social Security numbers. In these attacks, cyber criminals impersonate the Postal Service's leadership or organizations and ask for personal data in emails (phishing) or text messages (smishing). The official-looking emails and texts contain a fake URL or a file designed to steal your personal information and may even infect your device with malware that, if clicked on and opened, can activate a virus that allows the criminals to steal PII.

A phishing or smishing message might say: "Dear Team Member, your account has been compromised. Click this link to verify your credentials — USPS Leadership."

Postal Service employees and contractors should follow these tips to cut out phishing and smishing crimes this holiday season:

- Be suspicious of text messages or emails that request personal or business information.
- Be suspicious of text messages or emails from unknown or suspicious numbers.
- Don't click on links in unexpected or unsolicited text messages or emails.
- Don't reply to or respond to suspicious text messages or emails.
- Block notifications from unsaved phone numbers to decrease the likelihood of falling for a smishing scam.
- Forward any suspicious emails received on USPS-issued devices to the Postal Inspection Service's spam-reporting account: *spam@uspis.gov*; forward smishing text messages to 7726 or email *spam@uspis.gov*.

Brushing and Quishing

If you open your front door to find a package addressed to you, but you didn't order it and it is from someone or a company you don't know, beware. This seemingly free item is a "brushing" scam. Brushing scammers send you goods you never ordered and write fake online reviews about their products in your name, which helps boost their sales.

By law, unsolicited merchandise is yours to keep. You don't have to return it — or pay for it. But some of these "gifts" come with a QR code. When scanned, these QR codes direct to "quishing" websites that ask you to give up your personal information.

Help cut out brushing and quishing crimes this holiday season:

- Don't scan unknown QR codes.
- Never give out your personal information to unknown sources. If you do, your identity may be compromised.

Mail Theft

The U.S. Postal Inspection Service makes thousands of arrests for mail theft each year. While mail and packages can be stolen at any time, the higher volume of mail and packages during the holidays gives greedy thieves more opportunities to steal holiday cheer. Rest assured that U.S. postal inspectors keep an eye out for mail thieves across the country throughout the holiday season — and all year long.

Help cut out mail theft crimes this holiday season by encouraging postal customers to follow these tips:

- Do NOT leave letters and packages in your mailbox or at your door for any length of time. The longer mail stays in your mailbox, the more susceptible it is to theft.
- Never send cash in the mail.
- If you are going to be away from your home, use Hold for Delivery, a delivery locker, or ask a trusted neighbor to pick up your mail and packages.
- Request signature confirmation on packages, and add package tracking.
- Hand outgoing mail to your letter carrier, mail it at the post office, or mail it from a secure receptacle at your place of business.
- If you have a camera system, make sure it's aimed and focused on capturing activity at your front door or mailbox. If your camera catches mail thieves in the act of stealing U.S. Mail, save the video and contact postal inspectors at 877-876-2455 or *www.uspis.gov/report*.

As you're making your shopping list and checking it twice, help the Postal Inspection Service cut out crime and keep the holiday season nice.

For more information, go to our holiday website at *www.uspis.gov/holiday-scams-2025*.

Those who cannot attend the event but who wish to get the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days after the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers who want a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at *usps.com/shop.*

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

> FDOI – (Name of Stamp Issue)
> USPS Stamp Fulfillment Services
> 8300 NE Underground Drive, Suite 300
> Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

> FDOI – (Name of Stamp Issue)
> USPS Stamp Fulfillment Services
> 8300 NE Underground Drive, Suite 300
> Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.
