Cover Story

November is HAZMAT Awareness Month

To protect the health and safety of our customers and our employees, the Postal Service™ has developed specific procedures for safeguarding, identifying, handling, and delivering hazardous materials (HAZMAT). Due to several incidents of non-mailable HAZMAT in the mailstream, November has been designated as HAZMAT Awareness Month to highlight those efforts.

The renewed focus comes at a time when an increase in anticipated mail volumes could potentially lead to an increase in HAZMAT incidents — such as fires from lithium batteries exceeding the 100-watt hour limit, mercury or corrosive liquid spills, or undeclared HAZMAT found in the mail stream with markings that do not match contents.

Targeted communications in the coming month will reinforce awareness of current USPS® HAZMAT policies and procedures including the following:

- Poster 298, *Domestic Hazardous Materials-Warning Labels and Markings* (see page 4)

- Poster 37, *Is Your Package Safe to Mail?* (see page 4)
- Poster 702, *Prohibited Goods Warning Labels* (see page 4)
- Poster 81, *Shipping Reused Boxes* (see page 4)
- Poster 318, *Civil Penalties, Mailing Hazardous Material* (see page 5)
- Promotion of HAZMAT Awareness Month in targeted channels, such as the *Postal Bulletin* and *USPS Link*.

As peak season begins, we ask customers and employees alike to be even more diligent in keeping unmailable HAZMAT out of the Postal network.

All posters can be found at blue.usps.gov/cpim/posters.htm.

IS YOUR PACKAGE SAFE TO MAIL?

You could be mailing hazardous materials and not even know it.

Did you know that many common household items are dangerous to ship and are not permitted in the mail? Even items that are permitted in the mail can present a hazard if improperly packaged, due to vibration, temperature changes, and variations in atmospheric pressure.

USPS® is committed to keeping your mail safe. Log on and see if the item you wish to mail is permitted and learn more about how to prepare this type of mail safely.

WARNING: Persons who knowingly mail items or materials that are dangerous or injurious to life, health, or property in violation of 39 U.S.C. 3018 may be liable for a civil penalty of at least \$250, but not more than \$100,000 for each violation; the costs of any cleanup associated with each violation; and damages.

Visit usps.com/ship/can-you-ship-it.htm for more information.

DMM Revision: Products Mailable at Nonprofit USPS Marketing Mail Prices

Effective January 18, 2026, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM)*®, section 703.1.6.11, to reflect a change in the price for low-cost items.

Under section 703.1.6.11, which includes standards based on U.S. statutory restrictions, three types of products or items are mailable at Nonprofit USPS Marketing Mail® prices. A *low-cost item* (as defined in the U.S. Internal Revenue Code) is one of those products.

Each year, the Internal Revenue Service determines the allowed value of a low-cost item and adjusts it for cost of living. For 2026, the allowed value of a low-cost item is \$13.90 or less. The value of a low-cost item is the item's cost to the authorized nonprofit organization mailing the item or on whose behalf the item is mailed.

Although the Postal Service will not publish this revision in the DMM until January 18, 2026, the standard is effective January 1, 2026.

IMM Revision: Changes to International Registered Mail Indemnity Limits and Service Availability

Effective January 1, 2026, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)* to reflect changes to International Registered Mail™ indemnity limits and to reflect changes to service availability.

The Postal Service will revise IMM sections 333.2, 934.2, and the Individual Country Listings to reflect the annual change to the indemnity limit for International Registered Mail items.

Additionally, during the October 2023 Universal Postal Union (UPU) Extraordinary Congress, the decision was made to revise the Universal Postal Convention to limit the availability of International Registered Mail to letter-post items containing documents only, effective January 1, 2026.

Also, in Order No. 9333, issued on November 5, 2025, in Postal Regulatory Commission (PRC) Docket No. MC2026-21, the PRC favorably concluded that the termination of International Registered Mail as an extra service for First-Class Package International Service® (FCPIS) may go into effect on January 1, 2026. However, International Registered Mail service will continue to be available for First-Class Mail International® (FCMI) letters when Registered Mail is purchased as an extra service. This order is available on the PRC website at [prc.gov](https://www.prc.gov).

These IMM revisions implement changes associated with the termination of outbound International Registered Mail as an extra service for the following:

- First-Class Package International Service.
- Free Matter for the Blind First-Class Package International Service.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal money orders.
2. Check that the proper security features are present:
 - For the legacy, green Postal Service money orders:
 - a. Green coloring at the top and bottom.
 - b. A U.S. Mail eagle logo in the center.
 - c. A left-side watermark of Benjamin Franklin repeating top to bottom that is only visible when held up to a light source.
 - d. On the right of the Benjamin Franklin watermark, a vertical, multicolored security thread with the letters “USPS®” weaves in and out of the paper.
 - e. Discoloration around the dollar amounts might indicate the amounts were changed.
 - For the new red and blue Postal Service money orders:
 - a. Red and blue ink with subtle design features of an eagle head and an American flag.
 - b. Two watermarks that are only visible when held up to a light source:
 1. A watermark of a Pony Express® rider.
 2. A watermark that reads “United States Postal Service” in a rectangular box.

- c. A security thread that runs from the top to the bottom of the Postal Service money order, just to the right of the Pony Express rider watermark. When held to the light, the thread reveals the letters “USPS” alternating right side up and upside down throughout the thread.
- d. A Quick Response (QR) code that directs users to the USPS website to verify the status of money orders using three pieces of information.
- e. Discoloration around the dollar amounts might indicate the amounts were changed.

These features also appear at usps.com/shop/money-orders.htm.

If you or a customer suspects fraud, follow the guidance from the U.S. Postal Inspection Service:

- If you question the validity of a Postal Money Order, use the Money Order Verification System at 1-866-459-7822.
- You can also check the money order status at usps.com/shop/money-orders.htm. Go to “Check Money Order Status” and input the information.
- If you suspect fraud or criminal activity, call the Inspection Service at 1-877-876-2455 at your earliest convenience.

The legacy, green Postal Service money order will stay in circulation until all existing stock is depleted. As of October 1, 2024, USPS no longer sells international money orders. USPS will no longer cash international money orders after September 30, 2025.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the*

Thrift Savings Plan for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the Retail System Software terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply.

Organization Information

Environmental Compliance

Damaged, Leaking, and Non-Mailable Parcels

Damaged or leaking parcels and parcels containing non-mailable hazardous materials, as defined in Publication 52, *Hazardous, Restricted, and Perishable Mail*, are not permitted in the mailstream. Hazardous items that are removed from the mailstream and disposed of locally could be regulated by environmental laws and require proper waste management. Failure to properly dispose of regulated items could result in a regulatory agency notice of violation.

Potentially regulated hazardous materials include the following, but are not limited to:

- Aerosol cans.
- Batteries.
- Cleaning supplies and other chemicals, including bleach, hand sanitizer, and nail polish remover.
- Compressed gases.
- Devices containing mercury (**Note:** Devices containing metallic mercury, such as antique thermometers, barometers, and blood pressure monitors are prohibited in the mailstream.)
- Drugs and pharmaceuticals.
- Fertilizers and fuels, including lighter fluid.
- Fluorescent lamps.
- Matches and lighters.
- Oils, paints, perfumes, and pesticides.
- Solvents and thinners.

Use the following guidance when handling potentially hazardous damaged, leaking, or non-mailable parcels:

- Postal Service™ employees trained in *incidental releases* must only clean up substances known to be mailable and not expected to exceed Occupational Safety and Health Act (OSHA®) permissible exposure limits or pose any other hazard (such as flame, explosion, or radioactivity).
- For *emergency releases* of non-mailable hazardous substances, Postal Service employees must not move, transport, handle, or clean up these materials. These items must be immediately isolated at the identified location, and the supervisor, manager, or installation head must be notified by a Postal Service employee. If the installation head or United States Postal Inspection Service determines that more

assessment or remediation efforts are needed, contact an approved USPS® National Emergency Preparedness, Response, and Recovery Services (EPRRS) contractor (see blue.usps.gov/nationalpreparedness/_pdf/am_nmcs_mlb06-010.pdf).

- If the substance is identified as an *incidental release*, trained members of the facility's Spill and Leak team must bring damaged or leaking parcels to a designated re-wrap or hazardous material mail staging area for assessment.
- Report the incident in the Mail Incident Reporting Tool.
- Once the parcel is considered abandoned or dead mail, follow proper disposal procedures. Never forward abandoned or dead mail hazardous materials to the Mail Recovery Center.
- If parcels contain items determined to be waste, inventory and document the classification and quantity of each item. Common waste classifications are non-hazardous, hazardous, universal, state-regulated, and medical or infectious waste.
- Store hazardous materials and other regulated wastes in a container that is structurally sound, liquid-tight, closed, and clearly labeled. Do not mix incompatible materials.
- Using eBayPlus, arrange for pickup and disposal of hazardous and regulated waste parcels using the appropriate USPS National Waste Management Service contractor.
- Maintain waste classification and off-site shipment and disposal records.

For more information about the waste characterization process and proper waste disposal, review the *Damaged, Leaking, and Non-Mailable Parcels — Waste Management Environmental Compliance Bulletin/Standard Work Instruction* at blue.usps.gov/sustainability/environmental/_pdf/ecb-mail-derived-waste.pdf.

For state-specific waste disposal requirements or questions, consult your designated USPS Environmental Specialist at blue.usps.gov/sustainability/regional-environmental-compliance-all.htm.

On January 9, 2026, in Kenosha, WI, the United States Postal Service® will issue the 4-cent *Angel's Trumpets* denominated stamp, in one design, in a pressure-sensitive adhesive (PSA) pane of 20 (Item 129500) and a PSA coil of 10,000 stamps (Item 762900). This stamp will go on sale nationwide January 9, 2026, and must not be sold or canceled before the first-day-of-issue.

In 2026, the Postal Service™ will issue the 4-cent *Angel's Trumpet*, a new low-denomination definitive stamp. This stamp follows the 2024 release of other low-denomination flower stamps—the 1¢ Fringed Tulip, 2¢ Daffodils, 3¢ Peonies, 5¢ Red Tulips, and 10¢ Poppies and Coneflowers. The new stamp art features four peachy pink angel's trumpets on a yellow-toned cream background. To create the image, the photographer backlit the flowers on a light box and combined multiple photographic exposures, resulting in a luminous, transparent look. Art director Ethel Kessler designed this stamp with an existing image by photographer Harold Davis.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may get the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to get the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days after the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers who want a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail.
