United States Postal Service Policy on Diversity

It is the policy of the U.S. Postal Service to value and manage the diversity of our employees, the customers we serve, and the suppliers we do business with so that we might achieve a competitive advantage in the global marketplace.

Diversity in the Postal Service means that we will build an inclusive environment that respects the uniqueness of **every** individual and encourages the contributions of people from different backgrounds, experiences, and perspectives.

Diversity is key to our corporate success because it affects every aspect of the organization—employees, customers, and the business. Our investment in a strong diversity program creates a positive work environment that recognizes the contributions of all our employees, and it provides us with a strategic advantage.

The Postal Service will focus on diversity in the recruitment, development, and retention of employees. When developing succession plans and making promotions, the Postal Service will strongly support diversity, thereby creating an even playing field for all employees. To ensure that the Postal Service meets the needs of the diverse communities it serves, it will eliminate barriers and create products and services designed to increase customer satisfaction, ease of use, and revenue. The Postal Service will ensure that all suppliers have the opportunity to compete for its contracts and will require that our local purchasing policies support local business communities and encourage economic development of diverse groups.

All employees share the responsibility for achieving diversity goals. For diversity to be successfully integrated into the Postal Service, diversity initiatives must continue to be guided by leadership's full commitment. All executives, managers, and supervisors are responsible and accountable for managing and integrating diversity into business management processes.

To build mutual respect into all of our relationships, employees at all levels must value the differences and cultures of others. This will require mutual adjustment and understanding. These actions are critical to diversity becoming an integral part of the organization; not only do they benefit each employee, they also enhance our standing in the national and global marketplaces.

By valuing diversity, the Postal Service will achieve maximum corporate success and positive recognition as a world-class business leader.

Missing Children Poster Display Instructions

Please display this poster prominently on bulletin boards in retail lobbies of main post offices, classified stations, and branches. Operators of contract postal units may display this poster at their option.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by NCMEC.

In addition to *Postal Bulletin* updates, NCMEC distributes information via broadcast fax. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators at fax numbers provided by district managers. Within 24 hours of receipt of a facsimile Missing Children poster, district coordinators should distribute copies to all postal facilities in their districts. Missing Children posters are to be displayed for 30 days in post office lobbies, workroom floor areas, and other postal facilities, unless notification is received (from NCMEC) to remove a particular poster sooner. The broadcast fax network is used to distribute posters and information in only the most urgent cases of missing and exploited children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service only as described above. If postal employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local post offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 1-800-843-5678.

Ongoing Political Campaign Mailings

Several states are conducting elections for statewide and local offices this Fall, and some are conducting special elections for open congressional seats. Campaign mailings for those elections are already being entered into the mail-stream, and they will continue to grow in volume in the coming weeks.

Postal Service managers and employees: Please ensure that you successfully prepare, accept, document, process, and deliver those important mailings.

Managers: Review the political campaign mail procedures documented in *Postal Operations Manual (POM) 492, Political Campaign Mail*. The online version of that POM chapter may be accessed through the Policies and Procedures page of the corporate intranet at <http://blue.usps.gov/cpim>; click on *Manuals*.

CORRECTION

Transportation of Live Animals

Please disregard the article titled "Notice: Transportation of Live Animals" in Postal Bulletin 22060 (10-4-01, pages 24–25). That article listed the incorrect AMC/AMF contact names and phone number for Los Angeles, CA. The correct name and phone number appear in bold in the table shown on page 9.

In response to new Federal Aviation Administration restrictions, the Postal Service is required to adjust the service it provides for the transportation of live animals.

The Postal Service will continue to accept live animals that do not require delivery within a 72-hour period, such as earthworms, lizards, snails, crickets, grasshoppers, and bees, which can move on ground transportation.

In addition, the Postal Service will continue to accept live animals for which the postage is \$3.50 or less for shipment via air transportation.

The Postal Service will provide limited service for live animals for which the postage is more than \$3.50 and that require air transportation, such as day old poultry, adult poultry, and queen honeybees. This service will be available to and from the airports listed in the table below. The customer must present the mail to the applicable AMC/AMF no later than the cut-off time listed below (all times are local). Service will be available from Monday through Friday from the airports listed below.

Mail containing live animals for which the postage is more than \$3.50 should only be accepted at an AMC/AMF, or a retail unit or P&DC as authorized by the AMC/AMF manager. Employees accepting live animals that must be moved on air transportation must contact the appropriate AMC/AMF personnel to ensure that adequate space will be available and that the animals will reach their destination within the required time frame (see DMM C022.3.0). Mailers tendering live animals are also encouraged to contact the appropriate AMC/AMF personnel to facilitate the delivery of service. The list of AMC/AMF contacts in each city is listed below.

Electronic Option Confirmation Services — Acceptance and Delivery**Acceptance**

Several versions of electronic option labels exist for Delivery Confirmation™ service and Signature Confirmation™ service items. The majority of electronic option mailings are entered at a business mail entry unit (BMEU). However, customers mailing electronic option Confirmation Services items may also bring them to the retail counter for mailing. Those items generally would include postage-affixed mailings.

Use the following instructions when handling electronic option Confirmation Services items that are entered as single-piece mailings at a retail counter.

- Look for an “e” indicator on the following electronic option Confirmation Services labels:
 - Label 314, *Delivery Confirmation*.
 - Label 315, *Signature Confirmation*.
 - Customer-printed labels.
- **Do not** scan these labels at the time of acceptance. (Electronic option Delivery Confirmation service and Signature Confirmation service fees are **not** programmed into POS ONE and Integrated Retail Terminals (IRTs) at this time.)
- Electronic option Confirmation Services items presented at the retail counter may have sufficient stamps, meter strips, or PC Postage™ — but the customer may need to purchase stamps or a postage validation imprinter (PVI) label to cover additional fees and/or postage.
- Collect the appropriate electronic option Delivery Confirmation service or Signature Confirmation service fees, as listed below:

| Electronic Option Fees | Priority Mail® Service | Package Services |
|--------------------------------|------------------------|------------------|
| Delivery Confirmation service | No charge | \$0.12 |
| Signature Confirmation service | \$1.25 | \$1.25 |

Procedures for customers purchasing retail option Delivery Confirmation service (PS Form 152, *Delivery Confirmation*) and Signature Confirmation service (PS Form 153, *Signature Confirmation*) have not changed. Scan the Confirmation Services barcode and charge the appropriate retail fee.

If a customer presents PS Form 3152, *Confirmation Services Certification*, with a mailing, scan it with a handheld scanner (mobile data collection device).

Follow current procedures for acceptance of Confirmation Services presort and/or manifest imprint mailings at retail counters that process bulk mailings, at BMEUs, and at detached mail units (DMUs).

Delivery

When preparing Priority Mail “e” or “e/” label items for delivery, do not charge postage due for the Delivery Confirmation service fee, or return Priority Mail “e” label items to the sender marked “Postage Due” for payment of the Delivery Confirmation service fee. There is no Delivery Confirmation fee when the service is with Priority Mail service. Follow current scanning procedures when delivering the item.

Note: Electronic option items that contain a permit imprint do not require an “e” or “e/” on the label.

Electronic Confirmation Services Labels

On page 11 are sample electronic option Confirmation Services “e” labels that **do not** require an acceptance scan when presented at the retail window.

Overseas Military Mail

Mail addressed to or from military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The table below outlines these conditions by APO/FPO ZIP Codes through the use of footnoted mailing restrictions codes, which appear on the page following the table.

Acceptance clerks should use this table with the Integrated Retail Terminal (IRT) or POS ONE terminal to

determine whether an APO/FPO ZIP Code is active and which conditions of mailing apply.

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The complete table appears in the last *Postal Bulletin* of each month. Changes from the previous month's listing are in bold type.

IMM REVISION

International Mail — Global Express Mail

Effective November 1, 2001, the *International Mail Manual* (IMM) is revised. Pursuant to its authority under 39 U.S.C. 407, the Postal Service will offer a 5 percent discount off of regular postage for all Global Express Mail™ shipments paid through the shipping site at *www.usps.com*. The discount will apply only to the basic portion of Global Express Mail published rates. It will not apply to pick-up service charges, additional merchandise insurance coverage fees, or shipments made under an International Customized Mail agreement.

The Postal Service is proposing changes in conditions for certain mailing categories to automatically reduce every payment transaction by 5 percent for all Global Express Mail purchased at basic published prices and paid on the shipping site at *www.usps.com*. The discount will be deducted from each piece paid for through the Web site. The discount will be offered on postage only; it will not apply to pickup fees, any special fees, or postage for shipments made under an International Customized Mail agreement.

The Postal Service established the shipping site at *www.usps.com* to offer an online capability for customers to be able to prepare, ship, and pay for service shipments. Payment will be made using an online postage capability. Global Express Mail will be included in the services that are offered through this Web site. The discount is similar to the ones that are offered for Global Express Guaranteed shipments that are made through the same Web site and for Global Express Mail shipments that are paid for through an Express Mail corporate account.

As required under the Postal Reorganization Act, these changes will result in conditions of mailing that do not apportion the costs of the service, so the overall value of the service to users is fair and reasonable, and not unduly or unreasonably discriminatory or preferential.

We will incorporate these revisions into the printed version of IMM Issue 26 and the online version of the IMM, which can be accessed via Postal Explorer at *http://pe.usps.gov*.

STAMP ANNOUNCEMENT 01-52

United We Stand Definitive Stamp

Copyright USPS 2001

The Postal Service will issue a 34-cent *United We Stand* definitive stamp on October 24, 2001, in Washington, DC. The stamp may be purchased via telephone at 1 800 STAMPS-24, through mail order from Stamp Fulfillment Services, and via the Postal Store Web site at www.usps.gov. It will also be on sale on October 24, 2001, in Post Offices only in the Washington, DC, metropolitan area and statewide in New York, New Jersey, and Pennsylvania, by order of Postmaster General John E. Potter. Designed by Terrence W. McCaffrey, U.S. Postal Service, **the stamp will go on sale nationwide November 5, 2001.** The stamp will be issued in a self-adhesive convertible booklet of 20 (Item Number 661200) and a self-adhesive coil of 100 (Item Number 779100).

Anticipating unprecedented demand, the Postal Service is intentionally holding off the nationwide sale date of this stamp until November 5 to allow sufficient time for initial shipments to reach most Post Offices. Production and distribution of the stamp will be ongoing to ensure replenished stock and continued sales throughout the next year.

Consequently, postmasters should not become alarmed if their initial shipments become depleted due to heavy customer demand, because new shipments will be arriving and reorders will be replenished. This stamp is expected to stay on sale until a new rate is implemented.

The United States flag is one of the most recognized symbols of freedom in the world. The *United We Stand* stamp features a stirring image of "Old Glory" with the words "United We Stand" across the bottom. The stamp is a fitting tribute to the invigorated patriotic spirit of our nation to unite together in purpose, pride, and determination following the tragic events on September 11, 2001.

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps by telephone at 1 800 STAMP-24, via the Postal Store Web site at www.usps.gov, and via mail order through the Kansas City, Missouri, Stamp Fulfillment Center. UNITED WE STAND
POSTMASTER
900 BRENTWOOD RD NE

UPDATED ANNOUNCEMENT 01-F

2001 Stamps and Postal Stationery

"2001 Stamps and Postal Stationery" (Announcement 01-F, October 2001), which appears on page 47, is intended to replace the quarterly announcement of the same name, previously printed and sent to customers on request through Stamp Fulfillment Services in Kansas City. The announcement is a listing of stamps and postal stationery items scheduled for issuance during calendar year 2001. Post Offices may wish to post this schedule on their bulletin boards.

Customers may also be directed to access the *Postal Bulletin* through the Postal Service Web site at www.usps.com, then by clicking on *Info*, and then *Postal Periodicals and Publications*.

This announcement will be updated every 2 to 3 months, as changes warrant.

How to Order First Day of Issue Cancellations and Covers

Customers may purchase new stamps or postal stationery items at their Post Office, from the *USA Philatelic* catalog, by calling 1 800 STAMP-24, or online at www.usps.com by clicking on *Buy Stamps & More*. Then they should prepare their own covers by affixing new stamps to the upper right corner of envelopes or postcards of their choice, and

address those envelopes, postcards, or postal stationery items to themselves or others. (Postage must equal the current First-Class Mail rate.) For sturdiness, include a card of postcard thickness in each cover (envelopes only) submitted, and tuck in the flap. Place the cover in a larger envelope addressed to: NAME OF ISSUE, POSTMASTER, CITY, STATE, and ZIP CODE (followed by -9991). Covers submitted for first day of issue cancellations may include additional uncancelled stamps only if the uncancelled stamps were issued before the first day of issue of the new stamps or postal stationery items. All orders must be post-marked on or before the deadline indicated below.

The U.S. Postal Service offers uncanceled first day covers for new stamp issues and postal stationery items post-marked with the official first day of issue cancellation. Each item has its own catalog number in *USA Philatelic*, issued quarterly. Customers may request a free catalog by phoning 1 800 STAMP-24, by sending an email to sfs@email.usps.gov, or by writing to: INFORMATION FULFILLMENT, DEPT 6270, US POSTAL SERVICE, PO BOX 219014, KANSAS CITY MO 64121-9014.

The Postal Service Guide to U.S. Stamps, 28th Edition

The new 28th edition of *The Postal Service Guide to U.S. Stamps*, Item Number 890100, is available for sale at all Post Offices, philatelic centers, and by mail, telephone, and internet order from Stamp Fulfillment Services.

To obtain the initial supply for your Post Office, immediately order Item Number 890100 from your designated stamp distribution office (SDO) using a separate PS Form 17, *Stamp Requisition*.

All locations may place the new edition of the guide on sale as soon as initial quantities are received. You should promote the new edition of the guide during National Stamp Collecting Month in October.

The new 28th edition features over 30 additional pages, more than 100 new illustrations, hundreds of new listings and prices, plus new features and stamp-related facts. Priced at \$17.95, the 612-page guide includes lists of market-based values for all U.S. used and unused stamps and for many valuable stamp errors. In addition, the guide contains more than 2,000 full-color stamp illustrations; extensive lists of philatelic organizations, publications, and

resources; and a wealth of basic stamp collecting information. These features make it a valuable tool for beginning, intermediate, and advanced collectors, and it is still one of the best bargains in the hobby.

The printing contractor for the guide will ship the books (which are accountable items) in cartons of 20 to SDOs and Stamp Service Centers (SSCs). You must verify that you received the quantities of the guide recorded on the *Advice of Shipment*. Installations should report any discrepancies between the quantities shown on the *Advice of Shipment* and those actually received by using the procedure outlined in Handbook F-1, *Post Office Accounting Procedures*, sections 436 or 446, Handling Discrepancies in Stock Received.

Promotional copies of the guide *will not* be distributed. You can now display the guide in your Post Office by simply removing a copy from your inventory for promotional use. Follow the procedures outlined in Handbook F-1, *Post Office Accounting Procedures*, section 428.8, Obtaining Stock for Promotions or Presentations.

Offices must report all sales of Item Number 890100, 28th Edition, *The Postal Service Guide to U.S. Stamps*, in AIC 092, Philatelic Product Sales.

For the second year, in partnership with HarperCollins Publishers, this book as well as the *2001 Commemorative Stamp Yearbook* will be available in bookstores and other retail outlets where books are purchased.

The Postal Service Guide to U.S. Stamps, 27th Edition

As the 28th edition of *The Postal Service Guide to U.S. Stamps* becomes available, you must withhold all remaining copies of the 27th edition (Item Number 890000) from sale and take the following actions:

1. **Retail Outlets.** Collect any copies of the 27th edition of the guide from stamp credits. Immediately return them to main stock using PS Form 17, Stamp Requisition. **Post Offices.** Consolidate all remaining copies of the 27th edition of the guide, if any, into the unit reserve stock. **Prepare all 27th editions of the guide in accordance with procedures established for disposing of obsolete and redeemed stock, and submit according to local district quarterly stamp destruction or return schedules.**
2. **Local Office Philatelic Programs.** Submit PS Form 17 or PS Form 17-S, *Stamp Distribution Network Stamp Requisition*, to the local SDO and SSC for the number of 27th editions of the guide (Item Number 890000) needed for philatelic/promotional programs. You may give one or more copies to local schools, libraries, student groups, stamp clubs, retirement homes, and so on.

3. **Stamp Distribution Offices.** Stamp all copies of the guide used in promoting philatelic programs *"NOT FOR RESALE."* The SDO custodian of accountable paper must attest that each item is so stamped and prepare PS Form 3238, *Stamps and Stamped Paper Destruction Certificate*, endorsed *"PHILATELIC PRODUCTS GIVEN TO PHILATELIC PROGRAMS."* Program coordinators must acknowledge having received Item Number 890000 and be responsible for its control.

Note: The instructions for providing obsolete editions of the guide for philatelic and promotional purposes are an exception to general guidelines for destroying accountable items, especially regarding obsolete (withdrawn from sale) items. In this instance, it is Postal Service policy not to destroy copies of the previous year's edition of the guide when they can be used for valid promotional and/or educational purposes.

Disposing of Excess Guides

Dispose of all remaining copies of the 27th edition of *The Postal Service Guide to U.S. Stamps* (Item Number 890000) in accordance with Handbook F-1, section 450, Destroying Stamp Stock. Because disposition instructions are issued annually for past issues of the guide, **your Post Office should have only the 28th edition in inventory after you complete the above procedures.** If previous editions are on hand, dispose of them immediately, in accordance with Handbook F-1, section 450.

2001 Commemorative Stamp Yearbook

The *2001 Commemorative Stamp Yearbook*, Item Number 990100, will soon be available for sale at all Post Offices, philatelic centers, and by mail, telephone, and internet order from Stamp Fulfillment Services.

The yearbook is a 64-page hardbound book that includes 76 commemorative stamps, with mounts, and sells for \$49.95. The beautifully illustrated book contains colorful pictures and text featuring celebrated subjects on stamps such as *Honoring Veterans*, *Diabetes*, *Baseballs Legendary Playing Fields*, *Lucille Ball*, *Peanuts*, *American Illustrators*, *Roy Wilkins*, and 17 other 2001 commemorative stamps. The 76 commemorative stamps have a combined postage value of \$31.25.

The yearbooks and stamp packets are being shipped to stamp distribution offices (SDOs) separately from different suppliers.

The printing contractor for the yearbook has already completed its shipments to SDOs. Shipments are in master cartons of 15 books.

The stamp packets will be banded in bundles of 15 and shipped to SDOs in master cartons of 150 packets. Partial cartons will be used for shipments not in multiples of 150.

Minnesota Diversified Industries (MDI) will ship the stamp packets to SDOs in two waves. Wave 1, consisting of one-half the SDO's designated quantity, is scheduled to begin shipment on October 17, and complete shipment on November 1, 2001. The remaining stamp packets will ship in Wave 2 beginning on November 2, and completing on November 16, 2001. All SDOs must verify receipt of the quantities of stamp packets, as recorded on their PS Form 3309, *Advice of Shipment/Stamp Invoice*, and verify the number actually received. SDOs should also verify that they have received equal quantities of books and stamp packets.

To obtain an initial supply of the *2001 Commemorative Stamp Yearbook*, all Post Offices must submit a separate PS Form 17, *Stamp Requisition*, to their designated SDO. SDOs must not distribute the yearbook to Post Offices before October 18, 2001. All locations may place the yearbook on sale as soon as initial quantities are received.

Offices must report all sales of Item Number 990100, 2001 Commemorative Stamp Yearbook, in AIC 092, Philatelic Product Sales.

For the second year, in partnership with HarperCollins Publishers, the yearbook as well as the 28th edition of *The Postal Service Guide to U.S. Stamps* will be available in bookstores and other retail outlets where books are purchased.

Pictorial Cancellations Announcement

As a community service, the Postal Service offers pictorial cancellations to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial cancellations are authorized appears below. If available, the sponsor of the pictorial cancellation appears in italics under the date. Also provided, as space permits, are illustrations of those cancellations that were reproducible and available at press time.

People attending these local events may obtain the cancellation in person at the temporary post office station established there. Those who cannot attend the event, but who wish to obtain the cancellation, may submit a mail order request. Pictorial cancellations are available only for the dates indicated, and *requests must be post-marked no later than 30 days following the requested pictorial cancellation date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail postage. Items submitted for cancellation may not include

postage issued after the date of the requested cancellation. Such items will be returned unserved.

Customers wishing to obtain a cancellation should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL CANCELLATIONS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP + 4 CODE, exactly as listed below (using all capitals and no punctuation, except the hyphen in the ZIP + 4 code).

Customers can also send stamped envelopes and postcards without addresses for cancellation, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial cancellation, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The date of the following pictorial cancellation has been changed from October 12, 2001, to October 16, 2001:

1.7 General Policies
* * * * *

[Revise the heading of 1.7.13 to read as follows:]

1.7.13 Contracts with Former Postal Service Officers, Executives, and Employees

[Revise 1.7.13 items a and b, and add item c to read as follows:]

1.7.13.a General. The Postal Service contracts with former officers, executives, and employees when their expertise is deemed important to furthering the business and competitive interests of the Postal Service. Whether these individuals are the subject of personal services contracts, or are key personnel, experts, or consultants employed by a supplier, the following restrictions apply and these procedures must be followed.

1.7.13.b Contracts with Former Officers and Executives

1. Policy. It is Postal Service policy not to contract with former officers or Postal Career Executive Service (PCES) executives or entities with which such individuals have a substantial interest for five years after the date of their separation from the Postal Service (whether by retirement or otherwise) if the contract calls for substantially the same duties as they performed during their career with the Postal Service as determined by the vice president of Human Resources. Purchase teams must enforce this policy when purchasing professional/technical or consulting services (see 4.6.3 for definitions of these types of services), and include Provision 1-6, Prohibition Against Contracting with Former Postal Service Executives or Officers, in relevant solicitations, and Clause 1-11, Prohibition Against Contracting with Former Postal Service Officers or Executives, in resulting contracts.

2. Exceptions. The vice president of Human Resources may grant exceptions to this policy when he or she determines that doing so is in the best interest of the Postal Service. All such exceptions must be documented and included in the contract file.

1.7.13.c Contracts with Other Former Employees

1. Policy. The Postal Service may contract with former employees (other than former officers or executives) or with suppliers proposing the use of former employees during contract performance when the former employee's expertise will further the success of the purchase and the business and competitive interests of the Postal Service. Contracts with former employees or with suppliers offering the services of former employees should not be confused with the employment of annuitants (see 1.7.13.c.2).

2. Reviews and Approvals

- (a) All requests for contracts with former employees (non-officer or executive) must be forwarded by the purchasing organization to the manager of Corporate Personnel Management (CPM), for review and approval. The manager of CPM will decide whether the former employee should be hired as a retired annuitant (see *Employee and Labor Relations Manual* 323.33) or should be contracted with by the purchasing organization. When appropriate, the purchasing organization may award a personal services contract to the former employee (see 4.6.4).
- (b) When a supplier proposes using a former employee, the manager of CPM will review the former employee's employment history and advise the purchase team as to whether the substitution of another individual is in the best interest of the Postal Service. If such substitution is the case, the contracting officer must advise the supplier to propose another individual to perform the duties called for. If following contract award, the supplier proposes the use of a former employee, the same review and approval process is required before the former employee may begin work.

3. Provision and Clause. Purchase teams must consider this policy in light of the particular purchase, and the potential need for reviews and approvals, and as necessary, include Provision 1-7, Proposed Use of Former Postal Service Employees, in relevant solicitations, and Clause 1-14, Use of Former Postal Service Employees, in resulting contracts.

* * * * *

4 Purchasing

4.6 Special Categories of Purchases

* * * * *

[Revise the headings and text of 4.6.3 and 4.6.4 to read as follows:]

4.6.3 Professional/Technical and Consultant Services

4.6.3.a Policy. It is the policy of the Postal Service to contract for professional/technical and consultant services when doing so makes good business sense in light of available personnel resources. For example, short-term expertise may be necessary to assist in the development of new customer service programs or to manage spikes in operational workload. In other cases, long-term contracts for these services may prove more fiscally and technically beneficial than the use of career employees. When contemplating contracting for these services, and for personal services (see 4.6.4), purchase teams must consider the financial commitment and potential return on investment. For certain requirements, such as those affecting craft positions and duties, additional reviews and approvals are required; these include meeting legal and labor agreement obligations set forth in Federal regulations and labor union agreements. In these cases, purchase teams must consult with Strategic Initiatives at Headquarters. In addition, reviews and approvals are required for contracts with former Postal Service officers, executives, and employees, regardless of whether these individuals are contracted with directly or are employed or proposed to be employed by a supplier (see 1.7.13).

4.6.3.b Conflicts of Interest. When purchasing professional/technical or consultant services, purchase teams must pay particular attention to the potential for organizational conflicts of interest and consider using Clause 1-8, Organizational Conflicts of Interest, or a similar clause in the contract (see 1.7.7).

4.6.3.c Professional and Technical Services

1. Definitions. Generally, professional services are those performed by individuals or firms of recognized status, in fields such as accounting, engineering, law, and the sciences. Technical services are provided by individuals or firms who are expert in a given field, such as information technology, training, writing and editing, purchasing, marketing and demographics,

and other such areas. These services may be used to: (1) provide needed expertise on an individual or group basis; (2) to supplement the career workforce as required by workload; and (3) to provide turn-key services in support of postal operations.

2. **Licenses.** When prequalifying or purchasing professional services for which individuals are normally required to be licensed (such as medical, legal, accounting, and architecture), licenses must be required as a prerequisite to prequalification or contract award. Acceptable licenses may be limited to those issued by a particular state or entity, but only when local expertise is necessary to successful performance.
3. **Required Clauses.** All contracts for professional/technical services must include the following clauses:
 - (a) Clause 4-4, Nondisclosure (Professional Services). This clause may be modified with the approval of the policy-originating official designated in Exhibit 4.6.2 and assigned counsel.
 - (b) Clause 4-5, Inspection of Professional Services. This clause provides for inspection of the supplier's work product and acceptance of only those products that meet reasonable professional standards. The clause is to be used in lieu of, and not in addition to, the standard inspection and acceptance clauses prescribed in 2.2.
 - (c) Clause 4-7, Records Ownership. This clause gives the Postal Service ownership of contract files, including copies of all supplier work papers. While this clause is mandatory for professional service contracts, purchase teams have to decide whether to include it or not in technical service contracts, depending on the nature of the service.
4. **Other Clauses.** Depending on the particular purchase, the following clauses should be included in contracts for professional/technical services:
 - (a) Clause 4-6, Invoices (Professional Services). This clause is included in all non-fixed price contracts for professional/technical services. The clause requires presentation of invoices showing who performed the services, the hours and partial hours of service provided each day, and the services provided each hour or partial hour. Suppliers may be allowed to set minimum charges for partial hours or days.
 - (b) Clause 4-8, Key Personnel. This clause requires use of the key personnel identified in the supplier's proposal, unless the purchase team approves substitution, and provides for contract termination for failure to comply.

4.6.3.d Consultant Services

1. **Definition.** Consultant services are services provided by expert individuals or firms possessing exceptional qualifications in a particular technical or professional field. They are used to enhance the understanding of complex issues and to provide new insights into alternate solutions to, or recommendations on, business or decision-making functions of a postal organization. Consultants neither involve themselves in the day-to-day operations of Postal Service organizations except for study purposes, nor work under the immediate direction and control of Postal Service employees. Usually, consultant service suppliers provide reports or analyses as the deliverable upon completion of their contractual duties.
2. **Use.** Consultant services are used to enhance the understanding of complex issues and to provide new insights into alternate solutions to, or recommendations on, business or decision-making functions of a postal organization.

4.6.4 Personal Services Contracts

- 4.6.4.a **Definition.** A personal services contract is a contract with an individual under the terms of which the individual will: (1) work under the direct supervision of postal personnel; (2) work on postal premises and use postal equipment; and (3) perform duties similar in nature to those of postal employees. A personal services contract may create the appearance of an employee-employer relationship, and may result in additional costs, such as tax withholding. For this reason, purchase teams should strive to use contracting vehicles other than personal services contracts, but, when deemed appropriate and effective, they may be used, subject to the reviews and approvals described in 1.7.13.
- 4.6.4.b **Use.** Personal services contracts may be awarded for professional/technical services but may not be awarded for consultant services.
- 4.6.4.c **Contracts.** All personal services contracts should be written to ensure that the Postal Service does not incur unnecessary costs or liabilities. Purchase teams should work with assigned counsel to ensure that the interests of the Postal Service are protected in areas such as taxes, unemployment liability, etc.

Postal Products Unlimited, Inc., Catalog Now on eBuy

On August 31, 2001, Postal Products Unlimited, Inc.'s full-line supply and equipment catalog was converted to eBuy (see *Postal Bulletin* 22057, 8-23-01, page 102, for the introductory eBuy article). Postal Products Unlimited has supplied its Postal Service-specific products for over 15 years, and those products can now all be purchased using the Postal Service Intranet.

National Ordering Agreement

All of the supplies and equipment offered on eBuy are included in National Ordering Agreement (NOA) 412735-97-H-1512. When using eBuy, remember that *Administrative Support Manual (ASM)* 722, Local Buying Authority, does not apply to orders placed under contracts or ordering agreements that are listed on eBuy (<http://ebuy.usps.gov>).

Credit Card Payments

Effective November 1, Postal Products Unlimited will no longer accept credit cards as a form of payment for items in its eBuy catalog. eBuy will certify Postal Products Unlimited electronic invoices and send them to San Mateo accounts payable for processing. Typically, San Mateo accounts payable holds payment of invoices for approximately 28 days before sending the electronic funds transfer to Postal Products Unlimited as payment. Postal Products Unlimited charges will appear on the eBuy accounting period (AP) summary invoice report that is mailed to the "ship to" Federal Standard Requisitioning and Issue Procedures (FED-STRIP) address for reconciliation.

Postal Service to Receive Rebate

The Postal Service will save money on the purchase price of every line item ordered from Postal Products Unlimited. For example, the Postal Service will receive deep discounts on all eBuy orders, regardless of quantity, with savings up to 70 percent off the catalog unit price. Additionally, the Postal Service receives a periodic rebate from Postal Products Unlimited based on the total nationwide value of Postal Products Unlimited orders placed through eBuy.

eBuy Required

Employees having access to the Postal Service Intranet *must* use eBuy whenever the supply or service is listed on eBuy. The only exception to this requirement is for users who do not have access to the Postal Service Intranet. Those individuals without this access may continue to place telephone orders with suppliers using their FEDSTRIP number. When placing telephone orders with

Postal Products Unlimited, users must have both product number(s) and their FEDSTRIP number ready. The finance number associated with each user's FEDSTRIP number will be charged for items ordered via telephone.

Shipping

All items will be shipped by Standard Mail from Postal Products Unlimited. For items too large to ship via the mail-stream, a Government Bill of Lading (GBL) will be issued. Postal Products Unlimited has been authorized to use the Postal Service Web-based Freight Traffic Management System (FTMS) to prepare all GBLs.

Orders for in-stock, high-usage items will ship within 24 to 48 hours, and orders shipping directly from off-site distribution centers will ship within 5 to 7 business days. The lead time for custom and/or made-to-order items will vary. Please refer to the catalog or call Postal Products Unlimited Customer Service Department at 1-800-229-4500 for more specific product lead times.

Returns

To return an item, please contact the Postal Products Unlimited Customer Service Department and request a Return Authorization (RA) Number and specific return instructions. Postal Products Unlimited will submit an electronic credit request to eBuy, and the original order will be credited.

Javits-Wagner-O'Day

Postal Products Unlimited has been an approved Javits-Wagner-O'Day (JWOD) Act distributor since 1999 and has included JWOD manufactured items (excluding office supplies) in its eBuy catalog.

Retail

ALL IRT AND DEBIT/CREDIT CARD OFFICES

Setting Clocks for Standard Time

Managers must ensure that before opening for business on Monday, October 29, 2001, the clocks in all integrated retail terminals (IRTs) and debit/credit card terminals under their control are set *back* (in most locations) 1 hour to reflect the change to Standard Time. Facilities with Saturday night operations should reset the time as soon as possible after the 2 a.m. start time, Sunday, October 28, 2001.

The correct system time in integrated retail terminals (IRTs) is critical since their internal clocks are used to verify Express Mail® and Global Express Guaranteed™ acceptance times and service commitments. The IRT system time is also printed on customer receipts and employee reports. It is very important that the debit/credit card terminal clocks be set to the correct day, date, and time as this will help reduce the possibility of accepting an expired card.

Integrated Retail Terminals (IRTs)

On the UNISYS III Supervisor Disk, select item 11, Set System Date and Time, from the Control Menu, and perform the following steps:

1. Observe that the date appears.
2. Press ENTER key to accept the current date. The time appears.
3. Press CE key to clear the time.
4. Enter correct Standard Time in military format (examples: 8 AM = 0800, 1:30 PM = 1330).
5. Press ENTER key to save the corrected time. The Control Menu appears.
6. Observe that the corrected time is displayed in the upper right hand corner of the screen.

On the MOS IRT Control Disk, select item 5, Change Fees and Tables, from the Main Menu; then select item 5, Set Unit Date and Time, from the Change Fees and Tables Menu.

Items Authorized for Sale in Self Service Vending Machines

Listed below are items authorized for the Self Service Stamp Vending Program for calendar year 2002. Products not on this list (except FIRSTCLASS PHONECARDS® and coils of 500 and 3,000) *must not* be placed in vending machines. Also, products ending in “11” are to be placed only in booklet machines and the booklet/stamp combination machines (PBSM-624). No “11” products may be placed in commodity machines. All stamp item numbers will now have six digits, and all products previously ending in “X” will now end in “11.”

Check with your stamp distribution office (SDO) for availability of stamp vending products. In FY 2002, Self Service will not reproduce *Love Letters* and *Apples/Oranges* books.

For all items marked with an asterisk in the tables below, the first day of issue will be announced in a future *Postal Bulletin*.
